

September 13, 2024

Uma Hinman, Executive Officer
Mendocino County LAFCo
200 S School Street, # 2
Ukiah, CA 95482

Dear Mendocino LAFCo,

We write with regard to the City of Ukiah's Western Hills Annexation and Sphere of Influence Amendment application (A-2022-02) to express agreement between the City of Ukiah and Mendocino County as it pertains to the recently adopted Master Tax Sharing Agreement (MTSA).

In 2022, consistent with direction received from the Ukiah City Council and its 2040 General Plan, the City of Ukiah submitted an application to the Mendocino Local Agency Formation Commission (LAFCo) to annex more than 700 acres adjacent to its western jurisdictional boundary. In 2023, an additional 40-acre parcel (APN 003-190-11) became available for purchase, prompting City Council direction to acquire it for access opportunities to the original Western Hills Annexation Area. Despite being outside the City's Sphere of Influence, this parcel is within the City's Planning Area, and adjacent to both existing City limits and the original Western Hills Annexation Area. As proposed, 15 acres of this purchase area are allocated for the development of three (3) residential parcels, while the remaining 25 acres would be combined with the City's public holdings to yield a total area of 665 acres for open space preservation.

The County of Mendocino and the City of Ukiah recognize the unique nature of this annexation request due to the submittal of A-2022-02 prior to the implementation of the MTSA. Both parties agree that the MTSA applies, and that there are no special circumstances particular to this request that require additional or separate negotiation between the parties. The subject parcels are outside of the "Ukiah Balance Area" identified by the MTSA and do not include any commercial parcels that convey sales tax revenue, which simplifies tax collection and distribution considerations. In fact, besides limited residential development adjacent to existing infrastructure and services, the majority of the annexed land will be preserved as open space.

In addition to the preservation of critical open space, A-2022-02 will correct several long-standing mapping errors that have resulted in the bifurcation of multiple residential parcels between the County and City. Furthermore, as determined by the MTSA, A-2022-02 assigns 27 future unincorporated housing units to the City of Ukiah for the 7th Cycle Housing Element, ensuring compliance with California Government Code (GC §56668(m)).

While no formal conference was conducted, staff of the City of Ukiah's Department of Community Development and Mendocino County's Department of Planning & Building Services engaged on numerous occasions, and closely collaborated on application aspects related to mapping, housing and permit coordination.

Additionally, the County and City agree that June 19, 2024, is an appropriate "*Change of Organization Proposal Date.*" On this date the County and City affirmed the acceptability of A-2022-02 to both

parties prior to a regular City Council hearing at which the City adopted a revised '*Resolution of Application*' for submittal to LAFCo.

The City and County appreciate the opportunity to work collaboratively on this transformational request and hope that it will enable future applications. We are confident that this commitment to collaboration provides pathways for other jurisdictions to ensure the efficient provision of public services, preservation of open-space resources, as well as the orderly growth of our communities.

If necessary, we are available to schedule a coordination meeting at your convenience to discuss any further items prior to a public hearing. Thank you in advance for your review and consideration of this correspondence.

Sincerely,

Darcie Antle, Chief Executive Officer
County of Mendocino

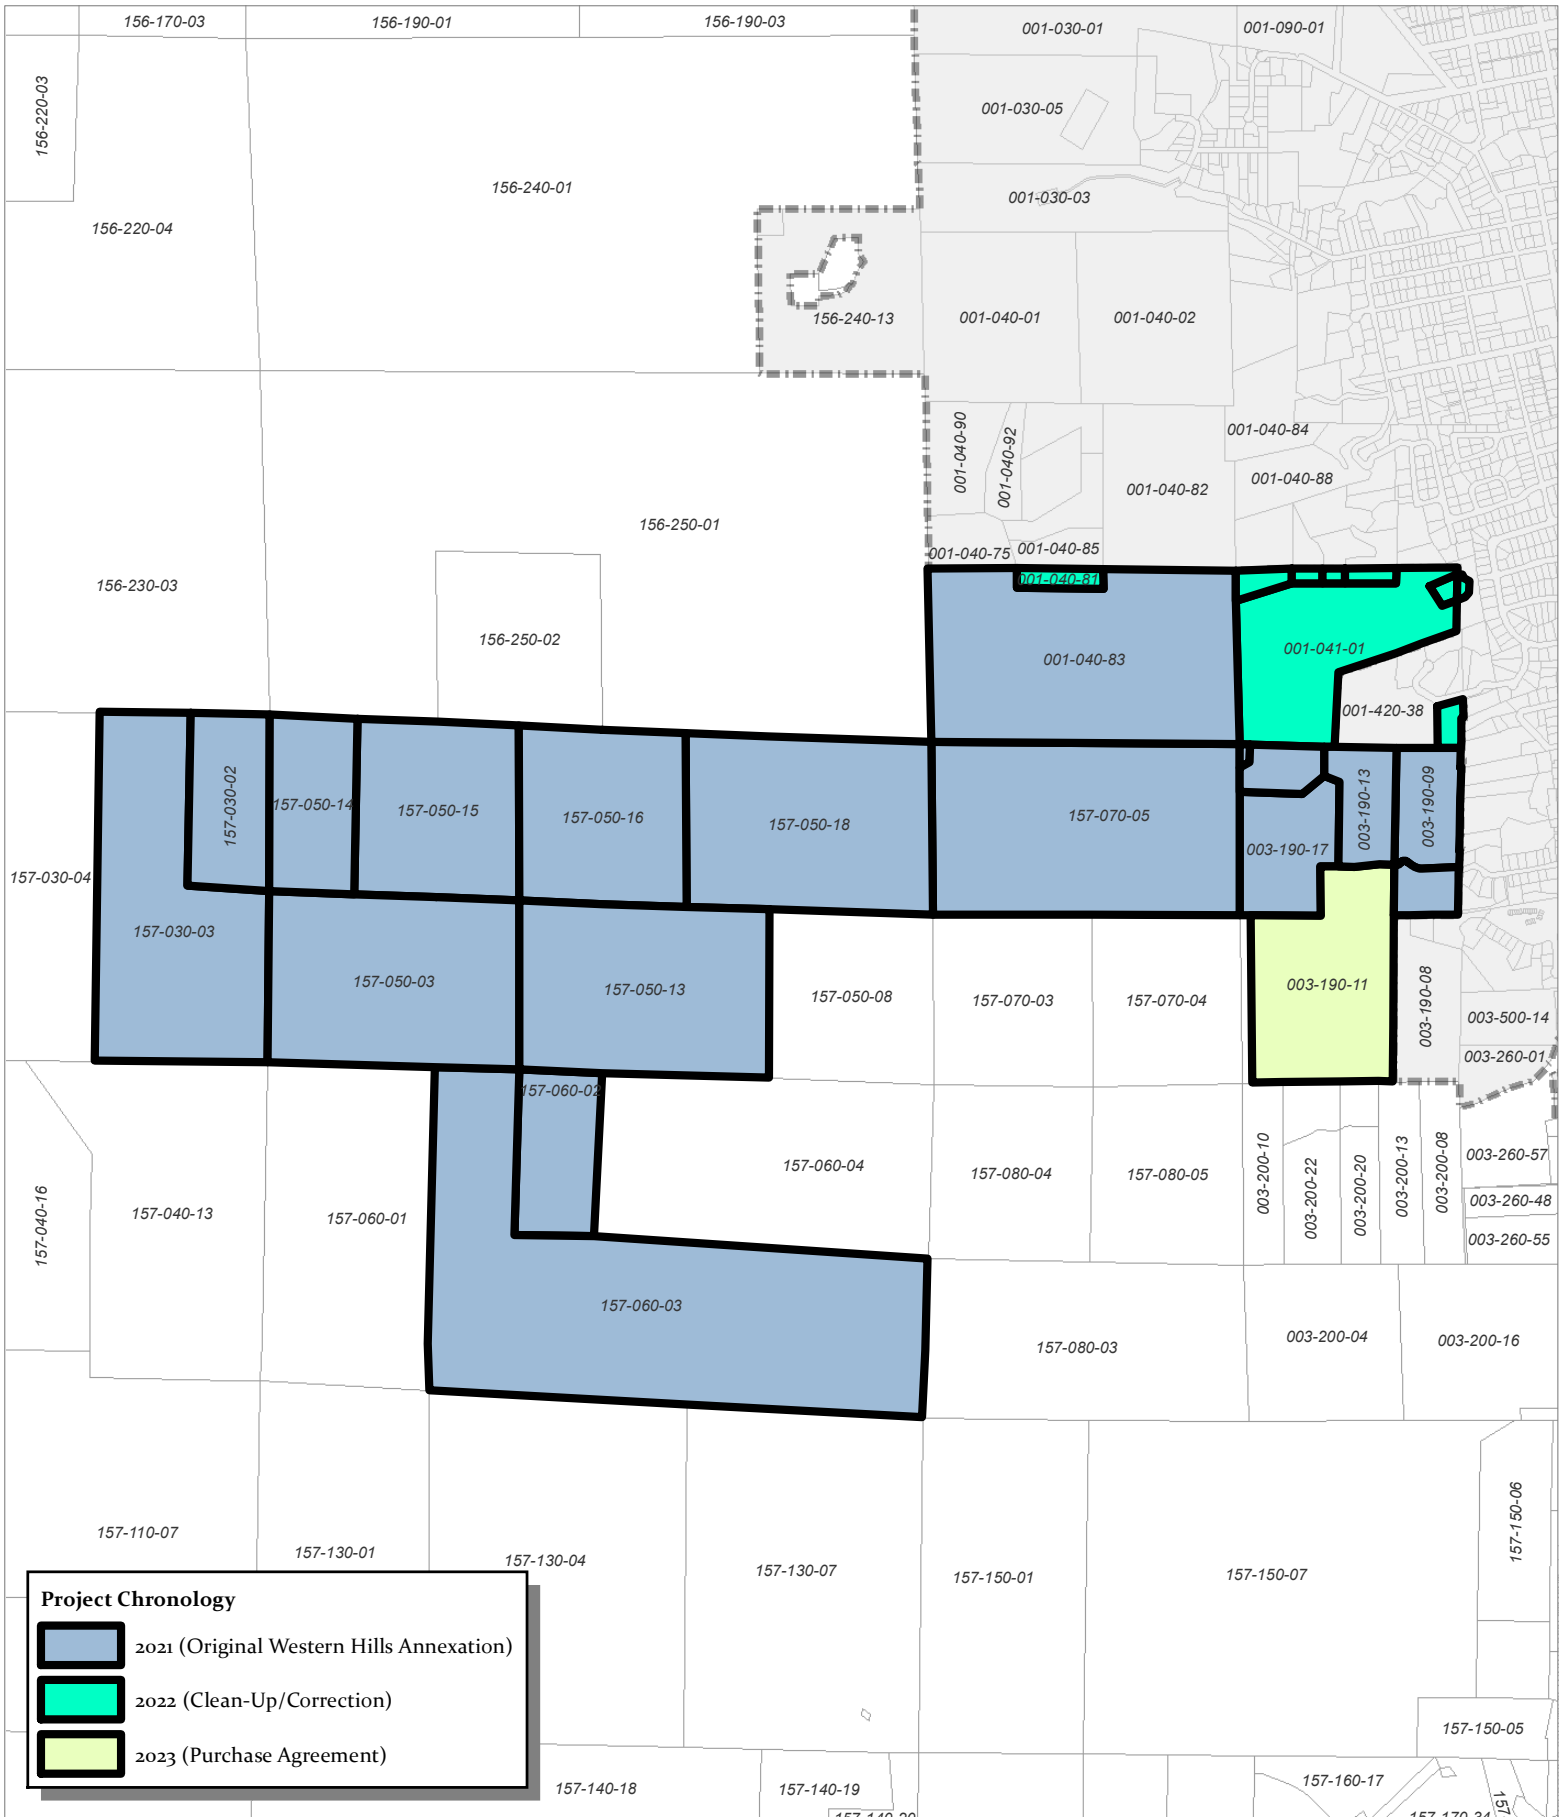

Sage Sangiacomo, City Manager
City of Ukiah
