MENDOCINO Local Agency Formation Commission

Staff Report

MEETING February 7, 2022

TO Mendocino Local Agency Formation Commission

FROM Uma Hinman, Executive Officer

SUBJECT Authorizing Continued Remote Meetings per Assembly Bill 361

RECOMMENDATION

Commission adopt Resolution No. 2021-22-10 making continued findings pursuant to Assembly Bill 361 to conduct public meetings remotely for the Commission and its standing committees during the proclaimed State of Emergency due to the COVID-19 pandemic.

BACKGROUND

Pursuant to Assembly Bill 361 (AB 361), which was signed into order on September 21, 2021, in order for the Commission to continue to conduct its meetings remotely, it must adopt a resolution confirming that a Gubernatorial State of Emergency continues to exist and the Commission has determined, by majority vote, that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees, Commissioners or staff.

AB 361 provides local agencies with the ability to continue to meet remotely under modified Brown Act requirements during proclaimed state emergencies with the adoption of resolution finding that either:

- 1) Open physical meetings present imminent risks to the health or safety of attendees; or
- 2) State/local officials recommend/require measures to promote social distancing.

These criteria permit a local agency to schedule a remote meeting to determine whether meeting inperson during the state of emergency would pose imminent risk to the health or safety of attendees. At that remote meeting, a local agency may determine by majority vote that sufficient risks exist to the health or safety of attendees as a result of the emergency and pass a resolution to that effect. These criteria also permit a local agency to meet remotely in the event that there is a state of emergency declaration while state or local officials have recommended or required measures to promote social distancing.

Attachment: Draft Resolution 2021-22-10

Resolution No. 2021-22-10 of the Local Agency Formation Commission of Mendocino County

Making Continued Findings Pursuant to Assembly Bill 361 to Conduct Remote Public Meetings for the Commission and its Standing Committees During a Proclaimed State of Emergency Due to the COVID-19 Pandemic

WHEREAS, the Mendocino Local Agency Formation Commission, hereinafter referred to as the "Commission", is committed to preserving and nurturing public access and participation in meetings of the Commission; and

WHEREAS, all the meetings of the Commission are open and public, as required by the Ralph M. Brown Act ("Brown Act") (California Government Code 54950 -54963), so that any member of the public may attend, participate, and watch the Commission conduct business; and

WHEREAS, the Brown Act, Government Code Section 54953(e), makes provisions for remote teleconferencing participation in meetings by members of a legislative body, without compliance with the requirements of Government Code Section 54953(b)(3), subject to the existence of certain conditions; and

WHEREAS, a required condition is that a state of emergency is declared by the Governor pursuant to Government Code Section 8625, proclaiming the existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by conditions as described in Government Code Section 8558; and

WHEREAS, a proclamation is made when there is an actual incident, threat of disaster, or extreme peril to the safety of persons and property within the jurisdictions that are within the boundaries of Mendocino County, caused by natural, technological, or human-caused disasters; and

WHEREAS, it is further required that state or local officials have imposed or recommended measures to promote social distancing, or, if the legislative body meeting in person would present imminent risks to the health and safety of attendees, Commissioners and staff; and

WHEREAS, the Commission previously adopted a Resolution, Number 2021-22-06 on November 1, 2021, finding that the requisite conditions continue to exist for the legislative bodies of Mendocino Local Agency Formation Commission to conduct remote teleconference meetings without compliance with paragraph (3) of subdivision (b) of Section 54953; and

WHEREAS, as a condition of extending the use of the provisions found in Section 54953(e), the Commission must reconsider the circumstances of the state of emergency that exists in the County, and the Commission has done so; and

WHEREAS, such conditions now exist in the County of Mendocino, specifically, the State of Emergency proclaimed by Governor Newsom on March 4, 2020, due to the COVID 19 pandemic; and

WHEREAS, the California Department of Public Health and the Mendocino County Public Health Department continues to recommend requiring face coverings in all public indoor settings attributable to the rise in SARS-CoV-2 Delta Variant and the Commission cannot be certain that all persons in attendance at meetings will follow the guidelines or be fully vaccinated; and

WHEREAS, the Commission does hereby find that the rise in SARS-CoV-2 Delta Variant has caused, and will continue to cause, conditions of peril to the safety of persons within the County that are likely to be beyond the control of the Commission or its staff, and desires to proclaim a local emergency exists and ratify the proclamation of emergency by the Governor of the State of California; and

WHEREAS, as a consequence of the local emergency, the Commission does hereby find that the legislative bodies of the Mendocino Local Agency Formation Commission shall continue to conduct their meetings without compliance with Government Code Section 54953(b)(3), as authorized by Section 54953(e), and that such legislative bodies shall comply with the requirements to provide the public with access to meetings as prescribed in Section 54953(e)(2); and

WHEREAS, the Commission provides written agenda that fully describes the process for the public to fully participate in the Commission's virtual meetings to include viewing, listening and commenting in real time on all agenda items; and

NOW, THEREFORE, the Mendocino Local Agency Formation Commission does hereby RESOLVE, DETERMINE, and ORDER as follows:

Section 1. <u>Recitals</u>. The Recitals set forth above are true and correct and are incorporated into this Resolution by this reference.

Section 2. <u>Proclamation of Local Emergency</u>. The Commission hereby proclaims that a local emergency now exists throughout the Commission's jurisdictional boundaries, and the rise in SARS-CoV-2 Delta Variant has caused, and will continue to cause, conditions of peril to the safety of all persons participating in the Commission's meetings that are likely to be beyond the control of the Commission or its staff, equipment, and facilities of the Commission.

Section 3. <u>Ratification of Governor's Proclamation of a State of Emergency</u>. The Commission hereby ratifies the Governor of the State of California's Proclamation of State of Emergency for COVID 19, effective as of its issuance date of March 4, 2020.

Section 4. <u>Remote Teleconference Meetings</u>. The Executive Officer and the Mendocino Local Agency Formation Commission are hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution including, conducting open and public meetings in accordance with Government Code section 54953(e) and other applicable provisions of the Brown Act.

Section 5. <u>Effective Date of Resolution</u>. This Resolution shall take effect immediately upon its adoption and shall be effective until the next regular meeting of the Commission when the Commission shall consider renewing its findings by subsequent resolution, in accordance with AB 361 and in accordance with Government Code section 54953(e)(3).

SUBJECT: Announcement of Commission Appointments

RECOMMENDATION

Announcement of Commission appointments made by the County Board of Supervisors and City Selection Committee.

BACKGROUND

All Commissioners terms of office are four years. However, the County Board of Supervisors and City Selection Committee meet and make annual appointments. The Mendocino County Board of Supervisors met in January and affirmed the appointment of current County members for 2022.

The Mendocino County City Selection Committee met on February 1. Appointment of Scott Ignacio, City of Point Arenda was affirmed as a Regular Member. Mari Rodin, City of Ukiah, has been selected to serve as Regular City Member for the four-year term ending December 2025. Gerardo Gonzalez, City of Willits, will continue to serve on the Commission as the Alternate City Member for the term ending December 2025.

FROM: Uma Hinman, Executive Officer

SUBJECT: Selection of Officers and Appointments to Committees

RECOMMENDATION

a) The Commission will select a Chair, Vice-Chair and Treasurer for the 2022 calendar year.

- b) The Chair will make appointments to the Executive and Policies and Procedures Committees with ratification by the full Commission.
- c) The Chair will make appointments to the Work Plan Ad Hoc Committee with ratification by the full Commission.

BACKGROUND

Officers

Per LAFCo <u>Policy 3.5</u>, the members of the Commission will elect a Chair, Vice-Chair and Treasurer at the first meeting of the Commission of each year or as soon thereafter as possible. This being the first meeting of the new Commission, the Executive Officer will facilitate the selection process.

Office	Commissioner	Representation					
Chair	Tony Orth	Special District					
Vice-Chair	Scott Ignacio	City (Point Arena)					
Treasurer	Gerald Ward	Public					

Standing Committees

Per LAFCo <u>Policy 3.9</u>, the Commission has two standing committees: the Executive Committee and the Policies and Procedures Committee. The committees meet on an as-needed basis and are subject to the requirements of the Brown Act.

The Executive Committee consists of the Chair, Vice Chair, and Treasurer or a third Commissioner appointed by the Chair. The Executive Committee is responsible for administrative oversight, personnel matters, and budget preparation and review.

The Policies and Procedures Committee is made up of three members appointed at the first Commission meeting of each calendar year, as recommended by the Chair and ratified by the Commission. The Policies and Procedures Committee is responsible for developing local policies and maintaining the Policies and Procedures Manual. Revisions are proposed to the full Commission for consideration and adoption.

Treasurer Ward suggested three corrections to the summary.

- 3b) November 8, 2021 Special Meeting Summary
- 3c) November 2021 Claims & Financial Report

LAFCo incurred a late fee from the City of Ukiah/Ukiah Valley Conference Center because the invoice was not received in time to be presented for approval at the regular meeting. Treasurer Ward indicated that he and EO Hinman discussed possible solutions. EO Hinman added that LAFCo policy provides for the approval of claims between meetings by the Chair and ratification at the following meeting. She suggested staff work with the Treasurer and the Chair to approve relevant claims.

Chair Orth expressed his support of processing necessary claims by a report to the Chair, approval by the Treasurer, and ratification by the Commission at the next meeting.

Treasurer Ward and EO Hinman discussed the contract and rate increase. EO Hinman confirmed this is the standard annual rate increase, which amounts to a few dollars each year. The contract is being presented at this time due to the County's process and all bills received after July were billed at the contract rate.

Motion by Commissioner Ignacio: Approve the Consent Calendar, as amended.

Second by Commissioner Gonzalez. **Approved** by roll call vote: unanimous.

Ayes: (5) Gonzalez, Ignacio, Mulheren, Ward, Orth

4. PUBLIC HEARING ITEMS None

5. WORKSHOP ITEMS None

6. MATTERS FOR DISCUSSION AND POSSIBLE ACTION

6a) Commissioner Terms (Video Time: 9:19)

EO Hinman reported that Commissioner Gonzalez and Alternate Commissioner Rodin have terms that expire at the end of 2021. As they both are City Council representatives, the City Select Committee is responsible for appointing their successors. The Committee does not meet until January; however, the Cortese-Knox-Hertzberg Act (CKH) allows commissioners to serve until the appointment and qualification of a successor.

6b) Process for Executive Officer Services Contractor Annual Evaluation (Video Time: 11:07)

EO Hinman provided a review of the contract Executive Officer evaluation process. Mendocino LAFCo has a contract agreement with Hinman and Associates Consulting, Inc. for the provision of Executive Officer Services, which includes the Analyst and Clerk. Each year, the Commission conducts an evaluation of those services. Staff will provide each Commissioner with a form to complete and return to both the Chair and EO by December 20, 2021. The responses will be consolidated into one evaluation and presented to EO Hinman in closed session during the January 3, 2022 meeting.

Counsel Browne reiterated that the evaluation is a single evaluation, requiring the Commissioners to reach a consensus on each item.

7. INFORMATION AND REPORT ITEMS

7a) Work Plan, Current, and Future Proposals (Video Time: 13:45)

Staff was reported the completion of the Ukiah Valley Fire District's (UVFD) Application for Annexation of the City of Ukiah, confirming that the Board of Equalization (BOE) packet was submitted, and confirmation of receipt has been received, before the BOE deadline.

There has been no change in status of other proposals on file.

Staff is preparing comments on Millview County Water District's (MCWD) Initial Study/Draft Mitigated Negative Declaration regarding the proposed annexation of the Masonite properties, which are due today..

Staff has completed two of the five Work Plan tasks assigned for this fiscal year. An initial meeting was held with Deputy County Counsel regarding CSA 3's MSR and activation of potential latent powers.

Commissioner Ward asked how Staff is tracking time spent on the MCWD Annexation, the City of Ukiah's (City) applications for Annexation of Areas North of the City and Annexation of the Western Hills. EO Hinman responded that Staff is working under pre-application agreements with MCWD and the City for its Annexation of Areas North of the City. Once the CEQA documents for the MCWD and the Western Hills Annexation are finalized both agencies will be able to submit applications.

Commissioner Ward asked for an update on the MSR for the City of Ukiah. EO Hinman responded that a little over a year ago, discussions began with Planwest Partners and the City to establish an agreement for funding, however the project has been delayed. Staff is working with the Work Plan Ad Hoc Committee and City Staff to determine the best course of action.

Commissioner Ward asked about the Ukiah Valley Sanitation District's (UVSD) Sphere of Influence (SOI), if there is one, and how to establish one. EO Hinman responded that the historical record is unclear. In 1984 when SOIs

were adopted for most of the cities and districts in the County, it appears that UVSD was not addressed. Staff's plan is to proceed with the scheduled update and clearly establish the SOI during the process utilizing recommendations that come from the MSR. As sewer services provided by the City and UVSD are codependent, the City and the District are collaborating on planning for their respective areas.

7b) Correspondence (Video Time: 21:09)

A notification of inactive districts identifying CSA 3 was received from the State Controller's Office (SCO). The Commission has 90 days to initiate dissolution or notify the SCO of the Commission's determination that the district does not meet the dissolution criteria stipulated in §56042. Staff will prepare a response for Commission consideration informing the SCO of the intent to activate the district's latent powers.

Counsel Browne suggested clearly defining the services the County proposes to activate as latent powers.

Chair Orth requested an update on the MSR for CSA 3. EO Hinman responded that the administrative draft is in progress and staff has been coordinating with the Deputy County Counsel on next steps.

Commissioner Rodin asked for a summary on CSA 3. EO Hinman summarized that initially, CSA 3 was established to provide ambulance services in Point Arena, briefly used as a funding source for the Sanel Valley Fire District, then expanded to include the entire County of Mendocino except for the cities of Fort Bragg, Willits, and Ukiah. Two years ago, the SCO identified the CSA as inactive, which requires LAFCo to review and make a determination on status and initiating dissolution if inactive. In order to keep the CSA active, the County deposited funds into the district's account and the Commission determined that the CSA was active. There has been discussion of using it for the Sherwood Road Pilot project, a secondary emergency access north of the Brooktrails area. Chair Orth added comment that fire agencies are considering using it for obtain funding and for support of a fire marshal's office within the County. He added that CSAs are utilized in other counties as vehicles for infrastructure funding and hopes the County will adopt a plan to use CSA 3 to achieve better benefit levels in the unincorporated areas. He asked Counsel Browne if the County can continue to add services in the future as needed. He responded that any changes require LAFCo review and approval to ensure public benefit. In closing, EO Hinman added that the MSR/SOI will be CSA 3's first review.

7c) CALAFCO Business and Legislation Report (Video Time: 29:18)

EO Hinman reminded the Commission of a webinar scheduled for this afternoon at 1:30: *Throw Out the Historic Water Framework: What do LAFCos Do Now?* She will be one of the panelists.

The CALAFCO Northern Region Roundtable is scheduled for Wednesday, Dec. 8, 2021 at 8:30 a.m. is a great networking opportunity to discuss common issues facing LAFCos in Northern California.

Chair Orth asked if the webinar on water will address the latest declaration from the State regarding the drought emergency. EO Hinman responded that the other panelists include the State Water Board Deputy Director who will give an update on the issues, and a Commissioner from Merced who will discuss LAFCos role in the emergency.

7d) Executive Officer's Report (Video Time: 31:16)

EO Hinman reported the following:

- Rent for the LAFCo Office will increase 5% which is consistent with the contract. EO Hinman will discuss the matter further with Treasurer Ward as the contract ends this fiscal year.
- The year-end financials have been reviewed by the Treasurer and will be sent to the auditor this week.
- Commissioners Rodin and Gonzalez are invited to join the January meeting as their successors will be announced later in the month.

7e) Committee Reports (Executive Committee/Policies & Procedures) (Video Time: 32:53)

The Work Plan Ad Hoc Committee met and discussed scope of work, work plan and ways to move forward with the City of Ukiah's Application for Detachment of the Ukiah Valley Sanitation District (UVSD) served areas.

7f) Commissioners Reports, Comments or Questions (Video Time: 34:36)

Commissioner Gonzalez commented that it has been a pleasure to serve on the Commission and he is willing to continue to serve in any capacity following the end of his term.

December 6, 2021 Pg 13 of 101

Chair Orth commented that he has been following the County redistricting process and was impressed with the County GIS Staff's work, professionalism, and ability to quickly provide large amounts data.

ADJOURNMENT (Video Time: 36:44)

There being no further business, the meeting adjourned at 9:35 a.m. The next regular meeting is scheduled for Monday, January 3, 2022, at 9:00 a.m. and will be held remotely due to the continued state of emergency, guidelines adopted by the Mendocino County Public Health Officer and Executive Orders regarding the COVID-19 pandemic.

Live web streaming and recordings of Commission meetings are available via the County of Mendocino's YouTube Channel.

FY 2021-22 Estimated Work Plan Implementation Schedule and Cost Tracking

December 2021

Subject to Change: The estimated schedule and costs for the Fiscal Year 2021-22 Work Plan are subject to change based on agency responsiveness, timely provision of requested information, complexity of issues, level of public and affected agency controversy, and changing needs and priorities.

CEQA: Based on LAFCo practice, the work plan assumes minimal costs for CEQA compliance related to preparing a Notice of Exemption, unless an agency proposes a non-coterminous SOI and pays for any necessary studies and preparation of a Negative Declaration or Environmental Impact Report.

Rolling Work Plan: It is difficult to completely contain staff activities in a single fiscal year; therefore, completion of a study may roll over to the next fiscal year. This estimated work plan implementation schedule and cost tracking table is intended to enhance communication and transparency.

MENDOCINO Local Agency Formation Commission

Staff Report

DATE: February 7, 2022

TO: Mendocino Local Agency Formation Commission

FROM: Uma Hinman, Executive Officer

SUBJECT: Ukiah Valley Conference Center Office Space Lease

RECOMMENDATION

The Commission approve and authorize the Chair to sign the 2022 lease between the City of Ukiah and Mendocino LAFCo for Suite K of the Ukiah Valley Conference Center and relinquishing Suite N.

BACKGROUND

The Commission has leased an office space in the Ukiah Valley Conference Center (UVCC) since at least 2013. A new space (Suite K) inside the UVCC recently came available across the hall that is larger, more visible to the public, and is a much more professional space with natural light. Because the new office space is located in the same building, moving costs and interruptions will be minimal.

The new space is \$500 per month plus the work room fee of \$30, an annual increase of approximately 10% that will equate to \$246 through the remainder of the fiscal year. The proposed lease is an annual contract and provides for additional one-year terms subject to 5% annual increases, which is consistent with our current lease.

Treasurer Ward has reviewed the proposed lease, which would go into effect on February 7th. The rent for both Suite N (current suite) and Suite K is prorated accordingly.

Attachment 2022 UVCC Lease for Suite K

LEASE AGREEMENT BETWEEN THE CITY OF UKIAH

And MENDOCINO COUNTY LOCAL AGENCY FORMATION COMMISSION

The Lease, made this first day of February 2022, by and between the City of Ukiah, hereinafter referred to as "Lessor" and the Mendocino County Local Agency Formation Commission, hereinafter referred to as "Lessee."

WITNESSETH:

WHEREAS, Lessor does determine that the use of certain property owned by the Lessor is not requires for its use at this time and is available for lease;

NOW, THEREFORE, the parties hereto agree that on the terms and conditions hereinafter expressed, Lessor does hereby let to Lessee and Lessee does hereby hire from Lessor, approximately 200 square feet of the property and building located at 200 South School Street, Suite K in the City of Ukiah, County of Mendocino.

1. <u>TERM</u>

The term of this Lease shall be a maximum of 1 year (12 months), commencing on the date set forth above, through December 31, 2022. Both parties understand that the subject property is part of the Ukiah Valley Conference Center.

2. RENT

- 2.1 Rent for the leased premises Suite K shall be \$500.00 per month, payable on or before the fifth day of each month. If rent due under this paragraph is not received by Lessor on or before the tenth day of the month, lessee shall pay Lessor a late fee of 10% of monthly rent. The imposition of this fee is in addition to any other remedies Lessor may have for Lessee's failure to pay rent when due under the terms of this Lease.
- 2.2 If the Lease is extended for one or more additional one-year terms under Section 1, at the commencement of each subsequent year, the rent shall be increased by 5% of the rent charged in the previous year.
- 2.3 Lessee shall also pay any real property, possessory interest or personal property taxes, and assessments imposed on the leased premises, property located on or affixed to the lease premises or as a result of the lease, use or ownership of the leased premises.

3. <u>USE, UTILITIES, REPAIRS, MAINTENANCE AND SHARED</u> WORKSPACE

- 3.1 The Premises shall be used for general office business to be conducted by Lessee. Lessee shall not use or store in the Premises any hazardous or toxic substances, with the sole exception of reasonably necessary substances that are kept in reasonable necessary quantities for normal office operation, provided that their use and storage are in accordance with applicable laws. Lessee shall not do or permit anything to be done on the Premises that will obstruct or interfere with the rights of other tenants of the Building or injure or annoy them, or use or allow the Premises to be used for any unlawful purposes, nor shall Lessee cause, maintain, or permit any nuisance or waste on or about the Premises.
- 3.1(a) At Lessee's sole cost, Lessee shall promptly comply with all laws and governmental rules now or later in force; with the requirements of any board of fire underwriters or other similar body now or in the future constituted; with any direction or occupancy certificate issued by public officers ("Legal Requirements"), insofar as they relate to the condition, use, or occupancy of the Premises. Excluded are (a) structural changes or changes to the electrical, mechanical, or plumbing systems of the Building, all to the extent not necessitated by Lessee's acts or by improvements made for Lessee, other than the tenant improvements to be made pursuant to this Lease by Lessor, if any; (b) alterations or improvements to the Building as a whole or the Premises of tenants generally that are not by law the tenant's responsibility with which to comply; and (c) work necessitated by defects in the construction of the Lessor shall comply in a timely manner with all Legal Requirements that are not Lessee's responsibility under this Section to the extent noncompliance would adversely affect Lessee's use or occupancy of the Premises
- 3.1(b) Lessee shall comply with all rules adopted by Lessor regarding the use of the Building or the Premises which are furnished to Lessee in writing (copy of the current rules are attached hereto as Exhibit "A"). Lessor shall not be responsible to Lessee for the nonperformance of any of these rules by any other tenant or occupant of the Building, but Lessor shall take reasonable steps to enforce any rules, the nonperformance of which by other tenants materially and adversely affects Lessee in the use of the Premises. However, if any rule conflicts with any term, covenant, or condition of this Lease, this Lease shall prevail. In addition, no rules, or any subsequent amendments adopted by Lessor shall alter, reduce, or adversely affect any of Lessee's rights or enlarge Lessee's obligations under this Lease.

- 3.1(c) Lessor may enter the Premises at reasonable hours and, except in the event of an emergency, on reasonable prior notice, to: (a) inspect the Premises; (b) exhibit the Premises to prospective purchasers, lenders, or tenants: (c) determine whether Lessee is complying with all obligations under this Lease; (d) supply janitorial service and any other services to be provided by Lessor under this Lease; (e) post notices of no responsibility; and (f) make repairs or perform maintenance required of Lessor by this Lease, make repairs to any space or utility services, or make repairs alterations, or improvements to any other portion of the Building. However, all this work shall be done as promptly as reasonably possible and cause as little interference to Lessee as reasonably possible. Subject to Lessor's undertakings in the previous sentence, Lessee waives any damage claims for inconvenience to or interference with Lessee's business or loss of occupancy or quiet enjoyment of the Premises caused by Lessor's entry. At all times Lessor shall have a key with which to unlock the doors on the Premises, excluding Lessee's vaults, safes, and similar areas designated as secure areas. In an emergency, Lessor shall have the right to use any means that Lessor deems proper to open Lessee's doors and enter the Premises. Entry to the Premises by Lessor in an emergency shall not be construed as a forcible or unlawful entry, or an actual or constructive eviction of Lessee.
- 3.2 Both parties agree that rent for the premises includes all costs for utilities and custodial maintenance.
- 3.3 Lessor shall maintain the public and Common Areas of the Building, including lobbies, stairs, corridors, restrooms, all exterior landscaping windows, the mechanical, plumbing, and electrical equipment serving the building, and the structure itself, in reasonably good order and condition so as to meet the reasonable needs of Lessee, except for damage, excluding normal wear and tear, caused by the Lessee. Damage by Lessee shall be repaired by Lessor at Lessee's expense. The standard of maintenance shall equal that of commercial office buildings of a similar class in the City of Ukiah.
- 3.3(a) Lessor shall furnish electricity for lighting and the operation of office, and heat and air conditioning to the extent reasonably required for comfortable occupancy by lessee.
- 3.3(b) Lessor shall not be in default under this lease, nor be liable for any damages resulting from, nor shall the required rental be abated because of: (I) the installation, use or interruption of use of any equipment in connection with furnishing the previously listed services, (II) failure to furnish or delay in furnishing these services, when failure or delay is caused by accident or conditions beyond the reasonable control of Lessor

- or by necessary repairs or improvements to the Premises or to the building, or (III) the limitation, curtailment, rationing, or restrictions on use of water, electricity, gas or any other form of energy serving the Premises or the Building. Lessor shall use reasonable efforts to diligently remedy interruptions in the furnishing of these services.
- 3.3(c) Upon receipt of a bill, Lessee shall reimburse Lessor for the cost of: (I) all heat or air conditioning provided to the Premises during hours requested by Lessee when those services are not otherwise furnished by Lessor, and (II) all power and cooling energy provided for supplementary air conditioning facilities in the Premises. Lessee shall also pay the cost of any transformers, additional risers, panel boards, and other facilities, if reasonably required to furnish power for supplementary air conditioning facilities in the Premises. The cost of item (I) shall be a per hour charge reflecting the electrical energy, labor and fixed plant costs (excluding depreciation) of operating the heating and air conditioning system.
- 3.3(d) In the event that Lessor, at Lessee's request, provides services to Lessee that are not otherwise provided for in this Lease, Lessee shall pay Lessor's reasonable charges for these services on billing of Lessor.
- 3.4 In addition to the monthly rental and other charges to be paid by Lessee under this Lease, Lessee shall pay Lessor for all of the following items (collectively, "Impositions"): possessory interest or other taxes imposed on the leased premises, its contents or the activities conducted in them, to the extent not paid to the taxing entity by Lessee.
- 3.5 Lessee accepts the Premises as being in the condition in which Lessor is obligated to deliver the Premises, subject to the tenant improvements, if any, that Lessor has agreed to make. At all times during the term of this Lease and at Lessee's sole cost, Lessee shall keep the Premises in good condition and repair; exceptions are ordinary wear and tear and damage to the Premises by fire, earthquake, or act of God or the elements. Lessee waives all rights to make repairs at the expense of Lessor or instead to vacate the Premises, and Lessee further waives the provisions of Civil Code §§1941 and 1942 with respect to Lessor' obligations under this Lease. At the end of the term of this Lease. Lessee shall surrender to Lessor the Premises and all Alterations that are to remain in the Premises in the same condition as when received; exceptions are ordinary wear and tear and damage by fire, earthquake, or act of God or the elements. Lessor has no obligation and has made no promise to alter, remodel, improve, repair, decorate, or paint the Premises, except as specifically set forth in this Lease. Lessor has made no representations respecting the condition of the Premises or the Building, except as specifically set forth in this Lease.

4. ALTERATIONS

- 4.1 Lessee shall not make any alterations to the interior or exterior of the leased premises without the prior written consent of the Lessor. Lessor may, but need not, require the Lessee to furnish drawings, plans or specifications for any proposed alterations, which the Lessor may review prior to authorizing any such alterations.
- 4.2 Lessee shall keep the Premises and the Building free from any liens arising out of any work performed, materials furnished, or obligations incurred by Lessee. Lessor may have posted on the Premises any notices that may be provided by Law or that Lessor may deem proper for the protection of Lessor, the Premises, and the Building from those liens. Lessee may contest any lien for which Lessee is responsible under this Section, provided that Lessee shall have caused the lien to be bonded against.

5. HOLD HARMLESS AND LIABILITY INSURANCE

- 5.1 Indemnification. Lessor shall not be liable for and is free from the cost of any damages for personal injury or property damage resulting from the use made by Lessee of the leased premises, any defective condition or faulty construction of the leased premises existing at the time of letting or arising thereafter and Lessee covenants and agrees to indemnify and save harmless said Lessor and its officers, agents and employees from and against any and all claims, liability, loss, cost, or other obligation, including reasonable attorneys' fees, on account of or arising out of Lessee's use of the leased premises.
- 5.2 Liability insurance. Lessee covenants and agrees during the life of this Lease at Lessee's sole expense to comply with the requirements of Exhibit "B", Insurance Requirements for Lessees (No Auto Risks) attached hereto and incorporated herein by reference.

6. ASSIGNMENT

Lessee will not assign this Lease, or any interest therein, and will not let or underlet the said premises, or any part thereof, without the prior written consent of the Lessor.

7. OWNERSHIP OF IMPROVEMENTS

If Lessee installs any permanent improvements, in accordance with paragraph four of this Lease or otherwise, such improvements shall become a part of the leased premises and title to said improvements shall be vested in the Lessor upon termination of this Lease. Lessor shall have the right to demand that Lessee restore the premises to the condition it was in prior to the date this Lease is made and if such demand is made, Lessee shall so restore the premises within ten (10) days of the date such notice is given.

8. TERMINATION

Notwithstanding any other provision of this Lease to the contrary, the parties shall have the right to terminate this Lease under the following circumstances.

- 8.1 Upon ninety (90) days prior written notice to the other party Lessor and Lessee shall have the mutual right to terminate the Lease for any reason.
- 8.2 Either party shall have an immediate right to terminate this Lease without prior notice to the other party other than that required by law for any breach of a term of the Lease by the other party, including, but not limited to, the Lessee's obligation to provide liability insurance.
- 8.3 Even though Lessee has breached this Lease and abandoned the Premises, this Lease shall continue in effect for so long as Lessor does not terminate Lessee's right to possession, and Lessor may enforce all rights and remedies under this Lease, including the right to recover the rental as it becomes due under this Lease. Acts of maintenance or preservation, efforts to relet the Premises, or the appointment of a receiver upon initiative of Lessor to protect Lessor's interest under this Lease shall not constitute a termination of Lessee's right to possession.
- 8.4 The remedies provided in this Lease are in addition to any other remedies available to Lessor at law, in equity, by statute, or otherwise.
- 8.5 Agreements and provisions to be performed by Lessee under this Lease shall be at Lessee's sole cost and without abatement of rental, except as specifically provided in this Lease. If Lessee (I) fails to pay any sum of money, other than rental, required under this Lease, or (II) fails to perform any other act required of lessee under this Lease, and this failure continues for thirty (30) days after notice of the failure by Lessor, or a longer period as may be allowed under this Lease, Lessor may, without waiving or releasing Lessee from any obligations of Lessee, make payment or perform other acts required by this Lease on Lessee's behalf.

All sums paid by Lessor and all necessary incidental costs shall be payable to Lessor on demand and shall constitute additional rental under this Lease.

- 8.5(a) If, without objection by Lessor, Lessee holds possession of the Premises after expiration of the term of this Lease, Lessee shall become a tenant from month-to-month on the terms specified in this lease, except those pertaining to term, option to extend, and option to acquire the Building, but at a monthly rental equivalent to one hundred ten percent (110%) of the then prevailing monthly rental paid by Lessee at the expiration of the term of this Lease, payable in advance on or before the first day of each month. Each party shall give the other notice of intention to terminate the tenancy at least one (1) month prior to the date of termination of a monthly tenancy.
- 8.5(b) If, over Lessor's objection, Lessee holds possession of the Premises after expiration of the term of this Lease or expiration of the holdover tenancy, Lessee shall be deemed to be a tenant-at-sufferance and, without limiting the liability of Lessee for unauthorized occupancy of the Premises, Lessee shall indemnify Lessor and any replacement tenant for the Premises for any damages or loss suffered by either Lessor or the replacement tenant resulting from Lessee's failure to vacate the Premises in a timely manner.

9. ATTORNEY'S FEES

If either party to this Lease prevails in any legal proceeding arising under or in connection with the terms of the Lease, that party shall recover its reasonable attorney's fees from the other party.

10. NOTICE

Whenever notice is required to be given under this Lease, it shall be deemed given when deposited in the U.S. Mail with first class postage properly affixed thereto or when personally delivered and addressed as follows:

City of Ukiah 300 Seminary Avenue Ukiah, CA 95482

Mendocino County Local Agency Formation Commission 200 S. School Street, Suite K Ukiah, CA 95482

11. WAIVER

Waiver of any breach of this Lease, including the failure to pay rent or obtain prior approval for an assignment of the Lease, shall not be deemed a waiver of any subsequent breach of the same or a different provision of the Lease.

12. PARAGRAPH HEADINGS

Paragraph headings are included for the convenience of the parties and are not intended to define or limit the scope of this Lease.

13. PREVIOUS AGREEMENT

Any and all existing statement or agreements, whether oral or written, or renewals thereof between the parties hereto, covering the same subject matter, are hereby canceled and superseded by the terms of this Lease, and such prior agreements, statements or understandings shall have no further force or effect.

14. DUPLICATE ORIGINALS

This Lease may be executed in one or more duplicate originals bearing the original signature of both parties and when so executed any such duplicate original shall be admissible as proof of the existence and terms of this Lease.

CONFERENCE CENTER RULES Exhibit A

- 1. No permanent fixtures or improvements to Conference Center facilities without prior approval of Lessor.
- 2. Child care activities are not allowed in any of the Lessees office spaces.
- 3. Lessees will be required to keep noise levels below noise level standards established for the Conference Center facilities.
- 4. The electrical usage included in Lessees monthly rent is based on "normal" office equipment; i.e. calculator, desktop computer and printer. If equipment requires special electrical power, additional charges will be billed to Lessee.
- 5. Lessees will not be allowed to sublet their office space, or permit occupancy by any other person except Lessees employees and business invitees.
- No advertising of any type using the Conference Center logo may be used by the Lessee without prior approval of the Lessor.
- 7. Lessees are responsible for the removal and disposal of any garbage and recycling generated by them, to the appropriate on site receptacles provided by the Conference Center.

INSURANCE REQUIREMENTS FOR LESSEES (NO AUTO RISKS) Exhibit B

Lessee shall procure and maintain for the duration of the contract, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the Lessee's operation and use of the leased premises. The cost of such insurance shall be borne by the lessee.

Minimum Scope of Insurance

Coverage shall be at least as broad as:

- A. Insurance Services Office Commercial General Liability coverage (Form No. CG 20 10 10 01).
- B. Workers' Compensation insurance as required by the State of California and Employer's Liability insurance (for lessees with employees).
- C. Property insurance against all risks of loss to any tenant improvements or betterments.

II. Minimum Limits of Insurance

Lessee shall maintain limits no less than:

- A. General Liability: \$1,000,000 per occurrence for bodily injury, personal injury and property damage. Insurance must be written on an occurrence basis.
- B. Employer's Liability: \$1,000,000 per accident for bodily injury or disease.
- C. Property Insurance: Full replacement cost with no coinsurance penalty provision.

III. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and approved by the City. The City may require the insurer to reduce or eliminate such deductibles or self-insured retentions with respect to the City, its officers, officials, employees and volunteers; or the Lessee to provide a financial guarantee satisfactory to the City guaranteeing payment of losses and related investigations, claim administration and defense expenses; or to approve the deductible without a guarantee.

IV. REQUIRED INSURANCE PROVISIONS

Proof of General Liability policy is to contain, or be endorsed to contain, the following provisions:

- A. The City, its officers, officials, employees and volunteers are to be covered as <u>ADDITIONAL INSURED</u> with respect to liability arising out of ownership, maintenance or use of that part of the premises leased to the lessee.
- B. The Workers' Compensation policy is to be endorsed with a waiver of subrogation. The insurance company, in its endorsement, agrees to waive all rights of subrogation against the City, its officers, officials, employees and volunteers for losses paid under the terms of this policy which arises from the work performed by the named insured.
- C. The lessee's insurance coverage shall be **primary insurance** with respect to the City, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees or volunteers shall be in excess of the Lessee's insurance and shall not contribute with it.
- D. Each insurance policy required by this clause shall be endorsed to state that coverage shall **not be canceled** by either party, except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given the City.

V. Rating - Acceptability of Insurers

Insurance is to be placed with admitted California insurers with a current A.M. Best's rating of no less than A- for financial strength, AA for long-term credit rating and AMB-1 for short-term credit rating.

VII. Verification of Coverage

Lessee shall furnish the City with original certificates and amendatory endorsements affecting coverage required by this clause. The endorsements should be on **forms provided by the City**. If endorsements are on forms other than the City's forms, endorsements must provide coverage that is equivalent to or better than the forms requested by the City. All certificates and endorsements are to be received and approved by the City before work commences. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications at any time.

MENDOCINO Local Agency Formation Commission

Staff Report

DATE: February 7, 2022

TO: Mendocino Local Agency Formation Commission

FROM: Uma Hinman, Executive Officer

SUBJECT: Status Determination for County Service Area 3 in Response to State Controller's Office

Inactive District Notice

RECOMMENDATION

The Commission determine that CSA 3 is an active district pursuant to Government Code Section 56042(c) and direct staff to notify the State Controller's Office of its determination.

BACKGROUND

On November 4, 2021, Mendocino LAFCo received notice from the State Controller's Office (SCO) that County Service Area (CSA) 3 was identified as an inactive special district (Attachment 1). Pursuant to <u>Government Code §56879</u>, the SCO's notice initiates a 90-day period in which the Commission must either initiate dissolution of the district or determine that the district does not mee the criteria set forth in <u>GC</u> §56042.

56042. "Inactive district" means a special district that meets all of the following:

- (a) The special district is as defined in Section 56036.
- (b) The special district has had no financial transactions in the previous fiscal year.
- (c) The special district has no assets and liabilities.
- (d) The special district has no outstanding debts, judgements, litigation, contracts, liens, or claims.

Staff coordinated with the County Executive Office and County Counsel regarding the SCO's notice and information needs for Commission consideration in determining the status of CSA 3. Current financial records provided by the County document the district's assets, which include a summary of account deposits in 2019 and 2020 (Attachment 2). With assets totaling \$50,000, the district does not meet the definition of an inactive district pursuant to GC §56042(c) and the Commission may determine that CSA 3 to be an active district. Upon making that determination, staff will notify the State Controller's Office accordingly.

Additionally, staff is the process of developing the first MSR/SOI Study for CSA 3 and has been coordinating with County staff on both the study and the intended use of the district. Substantial planning efforts by the County and several agencies and organizations have been underway for the past two years.

The most developed proposal for use of the CSA is the Sherwood Road Pilot Project, an emergency secondary access for the Brooktrails community. This and other potential services are being explored and coordinated with the County and will culminate in a proposal to the Commission for activation of latent powers.

SUBJECT: Notification of Inactive Special Districts in County

Dear Uma Hinman:

Chapter 334, Statutes of 2017, also known as Senate Bill (SB) 448, added various provisions to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 regarding special districts that are inactive. It requires the State Controller's Office (SCO) to create a list of inactive special districts based on information in the special district's Financial Transactions Report (FTR), to publish the list of inactive special districts on its website annually, and to notify the local agency formation commission in the county or counties in which the inactive special district is located.

Pursuant to Government Code (GC) section 56042, an "inactive special district" must:

- Meet the definition set forth in GC section 56036;
- Have no financial transactions in the previous fiscal year; and
- Have no assets, liabilities, outstanding debts, judgments, litigation, contracts, liens, or claims.

Pursuant to GC 56879, within 90 days of receiving this notice, the Commission is required to initiate dissolution of inactive special districts by resolution, unless the Commission determines that a district does not meet the criteria set forth in GC 56042. Additionally, the Commission is required to notify SCO if it determines that district does not meet the dissolution criteria in GC 56042. Once the dissolution process is complete, please inform SCO using the contact information on page 2.

Enclosed is a copy of the list of inactive California special districts. The list is determined by financial data in each special district's fiscal year 2019-20 FTR. The list of inactive California special districts may also be found at: https://www.sco.ca.gov/ard_local_rep_freq_requested.html.

MENDOCINO Local Agency Formation Commission Staff Report

DATE: February 7, 2022

TO: Mendocino Local Agency Formation Commission

FROM: Uma Hinman, Executive Officer

SUBJECT: Mid-Year Budget Review for FY 2021-22

RECOMMENDATION

Receive and file report.

MID-YEAR BUDGET REVIEW

Mid-year budget reviews are intended to review expenses and revenues half-way through a budget year to help determine if any adjustments need to be made before the end of the fiscal year. This budget review will also assist staff in developing the next fiscal year budget and inform the member agencies of likely apportionment fees for their next fiscal year, which many of the jurisdictions will initiate in the coming months. The budget status indicates staffing, operations, and work plan costs are within budget and no adjustments are recommended at this time.

The FY 2020-21 audit is being prepared by Pehling & Pehling, CPAs; we anticipate receiving a draft for review in mid-February.

Overview of Mid-Year Budget

The mid-year budget review is an opportunity to review itemized operating expenses and make adjustments as necessary. Staff has prepared the attached multi-year budget comparison. Notes to the budget review to date:

As shown in Attachment 1, the Commission adopted a FY 2021-22 budget of \$227,000. The
following table summarizes the adopted budget, the current expenditure totals and percent of
budget expended as of December 31, 2021 (see Attachment 2 for additional detail). The Work
Plan included five MSR/SOI reports, two of which have been completed; the remaining three are
in varying stages of preparation.

Table 1. Mid-Year Budget Summary						
Mid-Year Expense Summary	Adopted (\$)	Mid-Year Total (\$)	% of total			
Basic Services (Staffing)	108,000	49,247	46			
Services and Supplies	67,500	22,773	34			
Work Plan	51,500	14,010	27			
Expense Total	227,000	86,030	38			

- 2. Revenues projected for this budget included apportionment fees as follows:
 - \$265,000: split equally among the categories of Cities/County/Special Districts
 - \$38,000 of revenues will be used to rebuild legal reserves

- 3. <u>Expenses</u> as of December 31, 2021 were \$86,030, mostly allocated to Basic Services/Staffing and office operations.
 - Basic Services/Staffing is just under 50% for the fiscal year
 - Approximately 73% remaining in Work Plan budget to complete 3 MSR/SOI Updates
- 4. Reserves are at \$81,030 as of December 31, 2021.
 - \$50,000 for legal reserves; as directed by Commission
 - \$31,030 for operational reserves; policy dictates 25% of operational budget (target \$56,750)
 - In June 2022 apportionments will be transferred to reserves to meet policy targets and Commission direction

Work Plan Status

Staff have completed two of the five MSR/SOI updates: Covelo Community Services District and the Ukiah Valley Fire District. The remaining three Work Plan tasks are in varying levels of process and Staff are coordinating with the agencies on development of the studies.

Difficulties in keeping the work plan progressing on schedule has primarily been related to application workload, which is prioritized. Progress on the Work Plan is summarized in the following table.

Table 2. Summary of Work Plan Tasks and Status						
Remaining Work Plan Tasks 2021-22	Budget (\$)	Status (% complete)				
Covelo Community Services District*	3,000	100				
Ukiah Valley Fire Protection District*	6,000	100				
Community Service Area 3	10,000	50				
City of Ukiah	12,500	5				
Ukiah Valley Sanitation District	20,000	10				
* Initiated in FY 2020-21						

The CSA 3 MSR/SOI is the first study of the district and is progressing well. Coordination with the County is underway and consists of discussions on services the County plans to activate for the district as well as information needs for the MSR/SOI Study.

The Ukiah Valley Sanitation District MSR/SOI Update is in progress. This will be the first update of the SOI since 1984. Staff will be establishing regular coordination meetings with the district in the next few weeks.

The City of Ukiah MSR/SOI Update is in the initial planning phase and staff have been coordinating with City staff over the first part of this fiscal year on both approach and timing. Regular coordination meetings have been established and we are working towards coordinating the MSR/SOI Update with the City's General Plan Update. This will be the first update of the SOI since its establishment in 1984.

Staffing efforts in first half of FY 2021-22

In addition to the Work Plan, the first half of this FY has been focused on application processing and responding to inquiries and researching issues brought forward by special districts and landowners. Following is a summary of tasks:

Completed processing a fast-tracked application by the Ukiah Valley Fire District to annex the City
of Ukiah boundary for fire services

- Regular coordination meetings with City of Ukiah and Ukiah Valley Sanitation District staff regarding plans affecting future agency growth.
- Reviewed and submitted comments on several CEQA documents as a Responsible Agency.
- Provided initial consultation with three agencies on application needs and process.
- Initiated policy development for emergency water hauling in response to the drought emergency
- Participation in Countywide drought planning
- Sustainable Agricultural Lands Committee grant project meetings and tasks

Anticipated Tasks for Remainder of FY 2021-22

Staff will remain focused on progressing the CSA 3, City of Ukiah and UVSD MSR/SOI Updates. Additionally, a number of applications are both in progress and anticipated in the coming months. The following tasks are anticipated:

- Work Plan tasks
- City of Ukiah application for annexation of City-owned properties
- Continue policy development for emergency water hauling
- Continued coordination with the County, City of Ukiah and UVSD regarding SOIs and proposals

The agencies listed below have priority for preparation of a LAFCo-initiated MSR/SOI Update in Fiscal Year 2021-22.

The actual completion of a specific study may span multiple fiscal years. The budget allocation for each agency is based on estimated costs. Actual costs for study completion may be higher or lower than estimated below.

Work Plan implementation is subject to change due to various factors, such as: (a) agency responsiveness and timely provision of requested information, (b) complexity of issues involved, (c) level of public and affected agency controversy, (d) changing needs and priorities, (e) overall staff workload, and (f) higher than anticipated costs.

The Work Plan budget assumes minimal costs for CEQA compliance related to filing a Notice of Exemption (NOE). Agencies requesting a non-coterminous SOI may expedite a potential multi-fiscal year process by contributing to the cost of preparing an Initial Study and associated environmental document (ND/MND, EIR, etc.).

MENDOCINO Local Agency Formation Commission

Staff Report

MEETING February 7, 2022

TO Mendocino Local Agency Formation Commission

FROM Uma Hinman, Executive Officer

SUBJECT Applications and Work Load

RECOMMENDATION

Informational report.

BACKGROUND

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 delegates Local Agency Formation Commissions (LAFCos) with regulatory and planning duties to coordinate the logical formation and development of local government agencies. This includes approving or disapproving proposals for reorganizations (i.e., annexations, detachments, dissolutions, etc.), activation of latent powers, sphere of influence amendments, and outside service agreements.

ACTIVE PROPOSALS

Following is a description of the status of each of the proposals currently on file with LAFCo. Also, see Attachment 1 Summary Table – Application Activity and Potential Future Proposals.

City of Ukiah Annexation of City-Owned Properties (LAFCo File No. A-2021-01)

On February 22, 2021, LAFCo received an application from the City of Ukiah proposing to annex City-owned parcels that are used for government purposes and consisting of approximately 446 acres in total. Parcels include the City's Wastewater Treatment Plant, solid waste transfer station, a portion of the municipal airport and open space. The application referral and notice to the County to initiate the tax share negotiation were routed and comments received. An incomplete letter identifying additional information needs was sent to the City of Ukiah on March 23, 2021. The tax share negotiation process is in progress. LAFCo and City staff have established regularly scheduled coordination meetings for the proposal.

City of Ukiah Detachment of UVSD Served Areas (LAFCo File No. D-2020-01)

In April 2020, the City of Ukiah submitted a request to restart a 2014 application for detachment of Ukiah Valley Sanitation District (UVSD) served areas from the City that had been deemed incomplete and placed on-hold by the City in 2015. LAFCo staff responded to the City in May, requiring a new application submittal due to the lapse of time and change in conditions, as well as noting the application as premature pending completion of the UVSD SOI Update. The application will be processed concurrently with the City of Ukiah Municipal Service Review and Sphere of Influence Update. The City submitted an Appeal to the Commission of the Executive Officer's determination that the application is incomplete (letter dated April

26, 2021). The Commission continued the item to June 7, 2021 (Item 5d). The Appeal has been temporarily placed on hold by the City.

City of Ukiah Pre-Application for Annexation of Areas North of the City (LAFCo File No. P-2020-02)

Pre-Application request for consultation on the process and potential issues regarding the City's proposal to annex the Brush Street Triangle and Masonite area properties. Staff is coordinating with City staff regarding next steps in the process and timing of application processing.

Millview County Water District Pre-Application for Annexation of Masonite Properties (LAFCo File No. P-2020-04)

Pre-Application request for consultation on process and draft documents associated with the MCWD's proposal to annex the Masonite area properties. LAFCo staff have participated in several conference calls with the District and its consultants regarding the proposal and has provided feedback on draft CEQA and application materials. LAFCo, as a Responsible Agency, submitted comments on the District's Draft Initial Study/Mitigated Negative Declaration on December 6, 2021.

POTENTIAL FUTURE PROPOSALS

LAFCo staff has been made aware of the following potential future proposals that may come before the Commission for consideration. Also see Attachment 1 Summary Table – Application Activity and Potential Future Proposals.

City of Ukiah Annexation of Western Hills (Hull Properties)

The City has routed a project referral package stating its intent to acquire and annex approximately 695 acres in the Wester Hills for open space preservation, while allowing the potential for future low density residential development on the approximately 55 easternmost acres, consistent with existing development in the Western Hills within the City of Ukiah limits. LAFCo received and provided written comments on the project referral in February and a revised referral in March. Staff also provided written comments on the Draft Initial Study/Mitigated Negative Declaration for the project in May. On August 25, 2021, the City of Ukiah Planning Commission considered and recommended to the City Council approval of the Western Hills Open Land Acquisition and Limited Development Agreement Project and adoption of the Draft Initial Study and Mitigated Negative Declaration. The City Council adopted the project's CEQA document at its September 15, 2021.

Elk Community Services District Activation of Latent Powers for Wastewater Services

The ECSD is preparing an application to activate latent powers for the provision of wastewater services. The District will be assuming ownership and operation of a community leach field within the community of Elk. It is anticipated that the application will be submitted within the next month. Staff has been coordinating with District representatives in development of the application materials.

County Services Area 3 Activation of Latent Powers

County and LAFCo staff are coordinating on the proposed services to be offered through CSA 3, which is anticipated to be processed concurrently with the MSR/SOI Study for the district. The initial proposal is expected to be the Sherwood Road Pilot Project, a secondary access for the community of Brooktrails.

WORK PLAN

Local policy directs the Commission to annually adopt a Work Plan for purposes of providing a comprehensive overview of municipal service reviews and sphere of influence updates over the course of the fiscal year. This report provides an update on progress made in terms of accomplishing the activities

scheduled in the Work Plan. This report also serves to inform the Commission of any changes in circumstances or priorities. See also Attachment 2 Summary Table – Work Plan Tracking and Status.

The Fiscal Year 2021-22 Work Plan includes the following agencies:

- Covelo Community Services District (completed)
- Ukiah Valley Fire District (completed)
- County Service Area 3 (in progress)
- Ukiah Valley Sanitation District (in progress)
- City of Ukiah (in progress)

FY 2021-22 ESTIMATED WORK PLAN IMPLEMENTATION SCHEDULE AND STATUS

Work Plan status as of February 1, 2022

Subject to Change: The estimated schedule and costs for the Fiscal Year 2021-22 Work Plan are subject to change based on agency responsiveness, timely provision of requested information, complexity of issues, level of public and affected agency controversy, and changing needs and priorities.

CEQA: Based on LAFCo practice, the work plan assumes minimal costs for CEQA compliance related to preparing a Notice of Exemption, unless an agency proposes a non-coterminous SOI and pays for any necessary studies and preparation of a Negative Declaration or Environmental Impact Report.

Rolling Work Plan: It is difficult to completely contain staff activities in a single fiscal year; therefore, completion of a study may roll over to the next fiscal year. This estimated work plan implementation schedule is intended to enhance communication and transparency.

Re: Sphere of Influence Determination for Ukiah Valley Sanitation District

Dear Ms. Hinman:

The Ukiah Valley Sanitation District ("District") has received multiple out of area service requests. The District may provide new sewer service outside its jurisdictional boundaries within its sphere of influence, subject to LAFCO approval. There are certain developers and commercial businesses that would like to connect to sewer rather than develop septic systems. However, since these properties are located outside of the District's service area, an Out of Area Service Agreement needs to be approved by LAFCO in order for these businesses to connect to sewer lines. However, LAFCO has not confirmed the District's sphere of influence, and there appears to be no records of a final determination regarding the District's current sphere of influence.

Under the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, LAFCO must "develop and determine the sphere of influence of ... each special district ... within the county and enact policies designed to promote the logical and orderly development of areas within the sphere." (Gov. Code, § 56425.) Consistent with Government Code section 56425(g), LAFCO Policy 10.1.3 provides that LAFCO "will review all spheres of influence every five years for each governmental agency providing municipal services. Municipal services include ... wastewater."

Uma Hinman January 20, 2022 Page 2

The District reiterates its prior requests LAFCO confirm the District's current sphere of influence as soon as possible. Please let us know when this will be accomplished. Thank you.

Sincerely,

Joshua Nelson

Re: Sphere of Influence for Ukiah Valley Sanitation District

Dear Mr. Nelson:

We are in receipt of your correspondence dated January 20, 2022, requesting clarification of the Ukiah Valley Sanitation District's (UVSD) existing Sphere of Influence (SOI). We have performed exhaustive research of our files dating back to the 1984 Zion Study, which established SOIs for most of the cities and special districts in the County. There is no clear record of the UVSD's 1984 adopted SOI boundary or the outcome of subsequent requests for clarification on this matter.

We understand the District's desire for clarity regarding their potential future service expansion areas; however, any SOI that was established with the 1984 Zion Study is outdated and no longer provides a reliable or relevant basis of information needed by the Commission to carry out its responsibilities in consideration of applications involving service expansion or new development. An updated Municipal Service Review (MSR) and SOI Study is the necessary first step to move forward.

We are developing the MSR/SOI Update Study that will pave the way for Commission consideration of District proposals for annexations and/or extensions of service. We have initiated the study development process for the District as outlined in the attached orientation document and are preparing the Administrative Draft MSR based on available information and your Request for Information (RFI) response. As we prepare the MSR, we will identify further information needs and collaborate with District staff on development of SOI options for the SOI Update.

In order facilitate effective communication with the District throughout the MSR/SOI Update process, we will be working with Wing-See Fox, UVSD General Manager, to establish regularly scheduled coordination meetings. These meetings will serve to coordinate information needs, keep the District informed on the status and next steps, and to collaborate on development of SOI options for the SOI Update. We look forward to working together to complete this process.

Please do not hesitate to contact me with any further questions. The best methods for contacting me are by email (eo@mendolafco.org) or cell phone at (916) 813-0818.

Sincerely,

Uma Hinman Executive Officer

MUNICIPAL SERVICE REVIEW

SPHERE OF INFLUENCE

Municipal Service Review

A Municipal Service Review (MSR) is a study of a local agency's governance and operations. MSRs are conducted for all cities and special districts prior to or concurrently with SOI Updates.

- Provides inventory and analysis of agency services (capacity, financial ability, accountability, and anticipated growth)
- Based on existing information and trend analysis
- Evaluates service delivery structure and opportunities for improvement and/or interagency coordination
- Provides information and analysis to support SOI Update
- Seven required "determinations" per state law (GC §56430)

Sphere of Influence

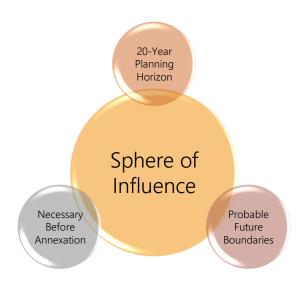

A Sphere of Influence (SOI) is a planning boundary adopted by LAFCo that indicates the probable 20-year growth boundary for a jurisdiction's physical development. LAFCo reviews and updates SOIs every five years, or as needed.

- Promote orderly growth and development within and adjacent to communities
- Promote cooperative planning efforts among cities, the County and special districts
- ➤ Address premature conversion of agriculture and open space lands and efficient provision of services
- Guide future local government reorganization encouraging efficiency, economy and orderly changes
- ➤ Assist property owners in anticipating availability of services in planning for future use of their property
- ➤ Five required "determinations" per state law (GC §56425)

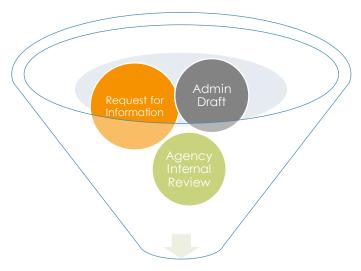

What an MSR is not:

- An audit or investigation
- An enforcement method
- A complaints forum
- A mandate for changes (no affect to current fees/rates)

Input is always welcome and MSRs may recommend future changes to the delivery of agency services.

SUBJECT CALAFCO Business and Legislative Report

RECOMMENDATION

Informational report.

DISCUSSION

CALAFCO Business

The CALAFCO Board of Directors considered and adopted Fiscal Year (FY) 2022-23 membership dues at its January 21, 2022 Board Meeting. The CALAFCO Board of Directors Bylaws allow for the Board to adjust one (or more) of the variables in the dues formula, which include population cap, base rate, per capita rate, and/or the estimated CPI. After updating the population estimates, and after careful consideration of all options, the Board unanimously adopted the FY 2022-23 dues with only a change by the current estimated Consumers Price Index (CPI) of 4.9%. All other variables remain the same as the current FY.

Legislative Reports

Two legislative reports are attached for information: Office of Planning and Research and the Senate Committee on Governance and Finance summaries.

CALAFCO BULLETIN

CALAFCO Sponsored Legislation for Protest Provisions

TO: CALAFCO MEMBER LAFCOS

FROM: CALAFCO & MEMBERS OF THE CALAFCO TEAM OF THE PROTEST PROVISION REWRITE WORKING GROUP (Pamela Miller, Jo MacKenzie, Holly Whatley, José Henríquez, Steve Lucas, Kai Luoma and Paul Novak)

CALAFCO has been reporting to you for the past several years that we have been actively responding to several recommendations made in the 2017 Little Hoover Commission report (Special Districts: Improving Oversight and Transparency). We want to announce the completion of our work relating to the recommendation to "convene an advisory committee to review the protest process for consolidations and dissolutions of special districts and to develop legislation to simplify and create consistency in the process". CALAFCO initiated a working group of stakeholders in early 2019 to discuss the protest process for consolidations and dissolutions of special districts, specifically, the statutes related to LAFCo-initiated protest provisions and the 10% protest threshold while all other initiated actions have a 25% protest threshold. This disparity makes addressing necessary and appropriate special district consolidations and dissolutions considerably more difficult when initiated by a LAFCo. Further, they serve as a deterrent for LAFCo to initiate action, even if meaningful efficiencies in the provision of public services could be achieved or if a district is failing to meet its statutory requirements.

The 18-member working group consists of seven CALAFCO representatives (including CALAFCO/CSDA Board member Jo MacKenzie, CALAFCO ED Pamela Miller, LAFCo legal counsel Holly Whatley, and EOs representing all 4 regions of CALAFCO including José Henríquez (Sacramento), Steve Lucas (Butte), Kai Luoma (Ventura) and Paul Novak (LA); seven CSDA representatives (including one of their lobbyists, legal counsel and five members representing water, fire, resource conservation and community services districts), representatives from the League of CA Cities and from the CA State Association of Counties, as well as the consultants from the Assembly Local Government and Senate Governance & Finance Committees.

The working group agreed on three main deliverables:

- 1. Review the protest provisions within the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (CKH) for relevance and delete any obsolete provisions, which was accomplished through AB 1581 (2021).
- 2. Redraft existing scattered protest code sections within CKH into a single code section to simplify the reading of the code section.
- 3. Examine the differing protest thresholds relating to LAFCo-initiated actions and all other initiated actions, which proved to be the most challenging of all the goals.

After considerable negotiation, the working group gave consensus on the following changes to CKH:

- The redrafting of existing protest code sections into one main section to simplify the reading of the section, and to add minor, non-substantive clarifications;
- Create specific circumstances under which a LAFCo may initiate dissolution of a district with a 25% protest threshold, with determinations documented in a Municipal Service Review and presented at a 21-day noticed public hearing;
- Allow for a minimum 12-month remediation period for the district with a progress report provided by the district to the LAFCo halfway through the remediation period; and
- ❖ A second 21-day noticed public hearing to determine if the identified issues have been mitigated, which would result in the LAFCo either terminating the dissolution or moving forward with the dissolution using 25% protest threshold under the standard protest hearing process already in statute, with a public notice period of 60 days.

The overarching goal of these changes is to ensure that LAFCos have the tools needed to carry out statutory obligations to ensure orderly and functioning local government services and to create greater consistency in the statute.

Consistent with the CALAFCO Strategic Plan, the CALAFCO Board of Directors and Legislative Committee unanimously support this effort and proceeding with a legislative solution in 2022. We are proud to announce Senator Hertzberg has agreed to author this measure with Assemblymember Mayes as primary co-author. The bill will be introduced shortly and will begin with the redrafting of existing protest code sections into one section. The new process allowing for LAFCo-initiated dissolutions at 25% will be written and amended into the bill as it proceeds through the legislative process.

CALAFCO continues to conduct stakeholder outreach and will be reaching out to you, our member LAFCos, with regular updates on the bill and executing a call for legislative action requesting your support of this critical piece of legislation. Please contact our Executive Director Pamela Miller at pmiller@calafco.org with any questions.

2021 Legislative Summary

INTRODUCTION

This publication is a compilation of bills pertaining to local and regional governance that the Governor signed in 2021. This publication is intended to be comprehensive, but it is not exhaustive of all bills that may be relevant to local and regional governments.

In general, chaptered legislation takes effect on January 1, 2022. Bills that contain an urgency clause took effect immediately upon the Governor's signature.

The Governor's Office of Planning and Research staff remains at your disposal to answer any questions regarding the content of this publication.

California Environmental Quality Act (CEQA)

AB 819 (Levine) California Environmental Quality Act: notices and documents

Requires lead agencies to electronically file and post on their websites all CEQA notices and documents. All lead agencies (state and local) would be required to submit all Environmental Impact Reports, Mitigated Negative Declarations, and Negative Declarations to OPR's CEQA Clearinghouse.

AB 1344 (Arambula) State Department of Public Health: needle and syringe exchange services

Creates a CEQA exemption for needle and syringe exchange services.

<u>SB 7 (Atkins)</u> Environmental quality: Jobs and Economic Improvement Through Environmental Leadership Act of 2021

Enacts the Jobs and Economic Improvement Through Environmental Leadership Act of 2021, which provides 270-day judicial streamlining to projects certified by the Governor. To qualify, projects must invest a minimum of \$100 million and meet specified environmental and labor requirements. The bill authorizes the Office of Planning and Research to charge a fee in connection with the services provided to verify applicants' information as required under the bill. Additionally, housing projects between \$15 and \$100 million that provide at least 15% affordable units are eligible for judicial streamlining at the determination of the lead agency. Projects must follow specified procedures for noticing, public comment, and preparation of the administrative record. Certification for projects that have not been approved by the lead agency by January 1, 2025, would be invalidated, and the statute expires on January 1, 2026. Projects certified under the previous Jobs and Economic Improvement Through Environmental Leadership Act of 2011 must gain project approval by January 1, 2022, and comply with the requirements of the former Act.

This bill contained an urgency clause and took effect upon signature on May 20, 2021.

<u>SB 44 (Allen)</u> California Environmental Quality Act: streamlined judicial review: environmental leadership transit projects

Creates a 365-calendar day judicial streamlining process for up to seven transit projects in or connecting to LA County that involve zero-emissions fixed rail. The projects must meet specified labor standards and follow specified procedures for noticing, public comment, and preparation of the administrative record.

Climate Resilience

AB 72 (Petrie-Norris) Environmental protection: coastal adaptation projects: natural infrastructure: regulatory review and permitting: report

Directs the Natural Resources Agency to explore and implement options for a more coordinated and efficient regulatory review process for permitting coastal adaptation projects that use natural infrastructure. Requires the Agency to submit a report to the Legislature by July 1, 2023, that provides recommendations for improving permitting processes for nature-based coastal adaptation projects.

SB 1 (Atkins) Coastal resources: sea level rise

Establishes the Sea Level Rise State and Regional Support Collaborative, composed of specified state agencies, within the Ocean Protection Council to provide information and support for planning and project deployment to address sea level rise. The Collaborative would be required to spend at least \$100 million annually from bonds and other sources to support local government planning updates to consider sea-level rise.

Requires the Coastal Commission to adopt recommendations and guidelines for assessing and mitigating sea level rise risk within a jurisdiction's Local Coastal Plan. Directs the Coastal Commission to consider sea level rise in coastal resource planning and management activities. Requires state and regional agencies to assess and mitigate the impacts of sea level rise.

Authorizes the Secretary of Environmental Protection to expend up to \$2 million per year for the Environmental Justice Small Grant Program and requires up to \$500,000 of those funds to support organizations working to address sea level rise in disadvantaged communities.

SB 27 (Skinner) Carbon sequestration: state goals: natural and working lands: registry of projects

Directs the Natural Resources Agency, in consultation with relevant agencies, to develop a registry of projects with carbon sequestration benefits on natural and working lands. The Agency would be required to track the carbon removal and emissions reduction benefits of projects from the registry that receive funding. Directs the Resources Agency and other specified agencies to develop a Natural and Working Lands Climate Smart Strategy and framework for achieving the state's goals. Directs the California Air Resources Board, as part of the Scoping Plan, to establish carbon removal targets for 2030 and beyond.

<u>SB 347 (Caballero)</u> Urban forestry: California Community and Neighborhood Tree Voluntary Tax Contribution Fund

Creates a voluntary tax contribution fund to support urban forestry projects through the Department of Forestry and Fire Protection's urban forestry program.

Wildfires & Natural Disasters

AB 9 (Wood) Fire safety and prevention: wildfires: fire adapted communities: Office of the State Fire Marshal: community wildfire preparedness and mitigation

Establishes the Regional Forest and Fire Capacity Program at the Department of Conservation to support regional planning and project deployment to support fire-adapted communities and landscapes.

Establishes the office of the Deputy Director of Community Wildfire Preparedness and Mitigation within the Department of Forestry and Fire Protection. The Deputy Director would receive public input on the programs under his or her purview, as specified, through an advisory committee established by the bill that would convene public discussions on matters of wildfire preparedness.

Requires the State Fire Marshal to deliver a report to the Legislature by January 1, 2023, identifying resource and personnel shortfalls inhibiting implementation on the programs under the Deputy Director's purview. Finally, the bill transfers certain responsibilities from the Department of Forestry and Fire Protection to the State Fire Marshal, including designation of fire hazard severity zones.

AB 431 (Patterson) Forestry: timber harvesting plans: defensible space: exemptions

Extends to January 1, 2026, an existing exemption to the Z'berg-Nejedly Forest Practice Act of 1973 that allows the Board of Forestry and Fire Protection to grant exemptions to landowners who must cut or remove trees on their property to comply with specified defensible space requirements.

AB 642 (Friedman) Wildfires

Directs the Director of the Department of Forestry and Fire Prevention to designate moderate and high fire hazard severity zones and modifies the factors for designating fire hazard severity zones. Within 30 days of receiving notice from the Director that a local jurisdiction contains fire hazard severity zones, the local government must make that information public.

Requires the Director of the Department of Forestry and Fire Protection to designate a cultural burning liaison. By July 1, 2023, the State Fire Marshal must develop a proposal for a prescribed fire training center.

Requires the Department of Forestry and Fire Prevention, in collaboration with specified entities, to develop recommendations for modeling community- and parcel-scale wildfire risk by July 1, 2023. Expands the entities the Department must engage in its education and outreach to include California State Universities and tribes.

AB 697 (Chau) Forest resources: national forest lands: Good Neighbor Authority Fund: ecological restoration and fire resiliency projects

Codifies the Good Neighbor Authority Fund and requires the Natural Resources Agency to establish a program, in partnership with federal and state entities, to conduct restoration and resiliency projects on federal forested land. The bill establishes goals and priorities for the program, including that the projects prioritize ecological restoration and community fire protection.

<u>SB 63 (Stern)</u> Fire prevention: vegetation management: public education: grants: defensible space: fire hazard severity zones

Directs the Director of the Department of Forestry and Fire Prevention to designate moderate and high fire hazard severity zones and modifies the factors for designating fire hazard severity zones. Within 30 days of receiving notice from the Director that a local jurisdiction contains fire hazard severity zones, the local government must make that information public. Directs the State Fire Marshal and the Department of Housing and Community Development to propose, and the Building Standards Commission to adopt, building standards for high fire hazard severity zones, and consider, if appropriate, standards for moderate severity zones.

Specifies that only state law or a local ordinance can require defensible space maintenance to 100 feet when fuel modification must extend beyond the property line. Adds fuel modification beyond property lines to the State Fire Marshal's model defensible space program. Requires the Director of the Department of Forestry and Fire Prevention to allow qualified entities to support the Department's defensible space and home hardening assessments and outreach and establish a database for reporting this information. The Department must also develop a training and certification program for these entities.

Requires the Department of Forestry and Fire Protection, the California Air Resources Board, and the Wildfire and Forest Resilience Task Force to submit a report to the Legislature on January 1, 2026, on the expenditure of forest health and fire prevention funds. The Director of the Department must also appear annually before the Legislature to provide information on the outcomes of these projects. The bill additionally modifies the priorities and actions of the Department's local assistance program.

SB 332 (Dodd) Civil liability: prescribed burning operations: gross negligence

States that individuals conducting prescribed burns are not liable, except in cases of gross negligence, for fire suppression or other recoverable costs if the prescribed burn meets specified conditions and is approved in writing by a burn boss.

SB 456 (Laird) Fire prevention: wildfire and forest resilience: action plan: reports

Renames the Forest Management Task Force as the Wildfire and Forest Resilience Task Force.

Requires the Task Force to develop an implementation strategy by January 1, 2022, to track implementation of the Action Plan. Requires the Task Force to submit annual reports to the Legislature on implementation of the Action Plan, and revise the Action Plan every five years.

Land Use and Planning

AB 525 (Chiu) Energy: offshore wind generation

Directs the California Energy Commission, by June 1, 2022, to evaluate the maximum potential of offshore wind generation in California to achieve reliability, ratepayer, employment, and decarbonization benefits, and develop 2030 and 2035 goals for offshore wind production. By June 30, 2023, the California Energy Commission, in partnership with specified entities, must develop and submit a strategic plan for offshore wind development in California.

AB 619 (Calderon) Air quality

Directs the Department of Public Health, in consultation with specified stakeholders and state entities, to develop a plan for counties to address wildfire smoke impacts. Counties must use this plan to develop a county-specific plan before its next emergency plan update.

AB 1180 (Mathis) Local governments: surplus land: tribes

Adds land conveyed by a local agency to a federally recognized Native American Tribe to the definition of exempt surplus land.

AB 1409 (Levine) Planning and zoning: general plan: safety element

Requires local governments to identify evacuation locations in their safety element updates.

SB 716 (McGuire) Land use: habitat restoration and enhancement: mitigation lands

Extends the provisions of the Habitat Restoration and Enhancement Act from 2022 to 2027 and requires the Department of Fish and Wildlife to submit a report on the implementation of the Act to the Legislature by December 31, 2025. Extends from 2022 to 2027 provisions under Planning and Zoning Law that allow a local government, special district, or nonprofit to hold mitigation lands under an endowment overseen by that same entity, if the endowment meets specified requirements.

Housing

AB 68 (Quirk-Silva) Department of Housing and Community Development: California Statewide Housing Plan: annual reports

Requires updates to the State Housing Plan occurring on and after January 1, 2023, to include specified information, including the number of affordable units needed to meet affordable housing needs. Requires the Department of Housing and Community Development to post a report on its website at the end of each year that includes specified information about its grant programs. The Department must post an additional end-of-year report on its website that provides information on land use oversight actions taken against local governments.

AB 215 (Chiu) Planning and Zoning Law: housing element: violations

Requires local governments to make a draft revision of the housing element update available for public comment for at least 30 days and take at least 10 additional business days to review and consider any public comments received. The subsequent draft revision must be posted online, and the link sent to individuals who requested notice. The Department of Housing and Community

Development cannot review the draft revision until this period has lapsed but must report written findings within 90 days of the first draft submittal and 60 days of a draft amendment.

Additionally, this bill adds to the Housing Crisis Act of 2019 and other provisions of that law to the list of laws that the Department of Housing and Community Development must notify a jurisdiction of noncompliance and authorizes the Attorney General to take formal legal action. The Department may appoint outside legal counsel if the Attorney General declines to represent the Department.

AB 345 (Quirk-Silva) Accessory dwelling units: separate sale or conveyance

Requires local agencies to allow accessory dwelling units (ADUs) to be sold separately from a primary residence if certain conditions are met. Tenancy in common agreements executed after December 31, 2021, must include provisions stipulating which portions of the property are exclusive to the cotenants, each cotenant's share of responsibility for financial obligations of the property, and procedures for dispute resolution.

AB 491 (Ward) Housing: affordable and market rate units

Requires mixed-income multifamily residential dwellings to provide the same access to entrances, common areas, and amenities to both the occupants of affordable and market-rate units. Prohibits such buildings from isolating the affordable units to a designated floor or area.

AB 571 (Mayes) Planning and zoning: density bonuses: affordable housing

Prohibits local governments from imposing affordable housing impact fees on a development's affordable units.

AB 602 (Grayson) Development fees: impact fee nexus study

Requires local governments' impact fee nexus studies to follow specific standards, including a requirement that fees adopted after July 1, 2022, must be proportional to the square footage of the proposed units, unless there is an explanation for why square footage is not an appropriate metric. By January 1, 2024, the Department of Housing and Community Development must publish a template for impact fee nexus studies. Local governments must post fee schedules on their websites and must request the total fees for a project at the latter of the time of the final inspection or certificate of occupancy. Authorizes any member of the public to submit evidence of a local government's failure to comply with the Mitigation Fee Act.

AB 634 (Carrillo) Density Bonus Law: affordability restrictions

Specifies that affordability covenants on units developed pursuant to the Density Bonus Law may have terms longer than 55 years if permitted by a local ordinance.

AB 721 (Bloom) Covenants and restrictions: affordable housing

Renders unenforceable any covenant or restriction that limits the number, size, or location of units or number of families that may occupy the premises if an approved affordable housing modification document has been recorded for the property. These provisions would not apply under specified circumstances. The county recorder must submit the modification document to the county counsel to determine if the original restrictive covenant was unlawful and whether the property qualifies for affordable housing development.

AB 787 (Gabriel) Planning and zoning: housing element: converted affordable housing units

Authorizes a local government to include in its housing element Annual Progress Report the number of units in an existing multifamily residence that were converted to deed-restricted moderate-income housing. These units may satisfy up to 25% of the government's moderate-income housing allocation and reduce its share of moderate-income regional housing allocation on a unit-for-unit basis.

AB 803 (Boerner Horvath) Starter Home Revitalization Act of 2021

Authorizes a developer to propose a housing project consisting of single-family homes on land zoned for multifamily residential use if the project meets specified criteria, including that the project result in at least as many units on the parcel as identified in the housing element, or the maximum or midrange allowable density.

AB 1029 (Mullin) Housing elements: prohousing local policies

Adds preservation of affordable housing units through the extension of existing rental-based covenants to the list of prohousing policies.

This bill contained an urgency clause and took effect upon signature on September 28, 2021.

AB 1095 (Cooley) Affordable rental and owner-occupied housing: equity in state and local programs

Allows the Affordable Housing and Sustainable Communities program within the Strategic Growth Council to support both owner-occupied and rental housing and allows program guidelines to include standards for owner-occupied housing development projects.

AB 1174 (Grayson) Planning and zoning: housing: development application modifications, approvals, and subsequent permits

Clarifies the affordability requirements for a housing project approved pursuant to SB 50 (Wiener, 2017) to receive indefinite approval. Alternatively, approval is valid for three years from the date of final judgement if a project is litigated. If the proponent requests a modification, the project approval would also be extended. These provisions apply retroactively to projects approved prior to January 1, 2022.

Allows local governments to apply objective building standards adopted after the first application submission to modified development applications that are submitted prior to the first building permit application, with the agreement of the applicant. Prohibits calculations of changes in square footage from including underground space. Requires local governments to apply objective standards in place at the time of the initial application submission to projects that seek subsequent permits, unless the proponent agrees to a change in the standards. These changes apply retroactively to projects approved prior to January 1, 2022.

Revises the definition of "affordable rent" for applications submitted prior to January 1, 2019.

This bill contained an urgency clause and took effect upon signature on September 16, 2021.

AB 1297 (Holden) California Infrastructure and Economic Development Bank: public and economic development facilities: housing

Allows funds from the Infrastructure and Economic Development Bank to support housing components of economic development and public development facilities, if the housing is required for the operation of the economic development facility. Prohibits the use of proceeds of private activity bonds issued by the bank under any state allocation, as well as funds from the bank's revolving loan fund, to finance housing.

AB 1304 (Santiago) Affirmatively further fair housing: housing element: inventory of land

Clarifies that a public agency has a mandatory obligation to affirmatively further fair housing. Revises the requirements and methodology for the housing element's analysis of fair housing issues and requires that the schedule of actions to implement the housing element include an analysis of historical origins and current practices that contribute to fair housing issues. Requires the inventory of land to consider the relationship of parcels to fair housing obligations and determine whether the inventory affirmatively furthers fair housing.

AB 1398 (Bloom) Planning and zoning: housing element: rezoning of sites: prohousing local policies

Requires a local government that fails to adopt a housing element that the Department of Housing and Community Development deems compliant with state law within 120 days of the statutory deadline to rezone sites within one year of the statutory deadline. A jurisdiction that adopts a housing element more than one year after the deadline cannot be deemed compliant until rezoning is complete. Declares that the adoption of a compliant 6th revision of the housing element satisfies the requirement that a local government update its housing element every four years, and future four-year updates are no longer required.

AB 1584 (Committee on Housing and Community Development) Housing omnibus

Among other provisions, voids any deed restriction or covenant that prohibits or restricts the development of an accessory dwelling unit on a property zoned for single-family use that meets specified criteria. Clarifies that the use of an incentive or concession under Density Bonus Law is not a valid basis for inconsistency with the Housing Accountability Act.

SB 8 (Skinner) Housing Crisis Act of 2019

Extends the Housing Crisis Act to 2030. Authorizes the Department of Housing and Community Development to update the list of cities and counties affected by the Housing Crisis Act on January 1, 1025, and these determinations would be valid until 2030.

Clarifies that "housing development project" under the Housing Crisis Act includes projects that do not require discretionary approvals, projects that require combinations of discretionary and non-discretionary approvals, and projects to construct a single unit. Specifies that affordable housing projects may be subject to ordinances and standards adopted after the preliminary application if the project has not commended construction within 3.5 years.

Limits the requirement to provide relocation benefits and right of first refusal to lower-income tenants in protected units. Relocation benefits and right of first refusal do not apply to an occupant of a short-term rental occupied for fewer than 30 days. These provisions would not apply to project applications submitted between January 1, 2019, and January 1, 2020, in jurisdictions with

populations below 31,000 that have a price control ordinance. Exempts certain protected units from the right of first refusal requirements, including projects that demolish a single protected unit to replace it with another single unit. Exempts protected units in developments where 100% of the units (excluding manager's units) are affordable to lower-income households, unless the occupant is eligible for housing in the new development.

Declares that the concurrent rezoning to prevent a net loss of residential capacity must occur during the same meeting of the legislative body, or within 180 days if the action is requested by an applicant for a housing development project.

SB 9 (Atkins) Housing development: approvals

Creates a ministerial approval process for lot splits and duplex construction on lots zoned for single-family use, if the project meets specified requirements. Duplex construction or lot splits cannot demolish deed-restricted affordable housing or housing occupied by tenants in the past three years or occur in an historic district. Local governments may impose objective standards, unless they preclude the construction of two units or a lot split. Local agencies may require up to one parking space per unit, unless the parcel is within a half mile of a major transit stop or high-quality transit corridor. Housing created pursuant to these provisions cannot be rented for terms shorter than 30 days. Applicants for lot splits must sign an affidavit declaring their intent to occupy one of the lots for at least three years, unless the applicant is a community land trust or nonprofit. Local agencies may deny an application for a duplex or lot split if it makes written findings of an adverse impact on public health, safety, or the physical environment. Local government must identify units constructed pursuant to these provisions in their housing element Annual Progress Report.

SB 10 (Wiener) Planning and zoning: housing development: density

Authorizes local governments to rezone parcels for up to 10 units in transit-rich or urban infill sites, as defined, without being subject to CEQA. If the ordinance would supersede a zoning ordinance established by a local initiative, it must be approved by a 2/3 vote of the legislative body. However, the ordinance may not supersede an initiative that designates land for open space or park and recreational uses. A project to construct more than 10 units on a parcel zoned pursuant to this law cannot be approved ministerially, unless the parcel was subsequently rezoned and that rezoning was evaluated under CEQA.

<u>SB 290 (Skinner)</u> Density Bonus Law: qualifications for incentives or concessions: student housing for lower income students: moderate-income persons and families: local government constraints

Specifies that units required to satisfy a local government's inclusionary zoning ordinance must count toward the total number of units to determine incentives and concessions under Density Bonus Law. Adds one incentive or concession for projects that provide housing to students that reserve at least 20% of the units for lower-income students. Requires local agencies to include data on density bonuses granted to lower-income student housing development projects in their housing element Annual Progress Report.

Modifies the density bonus requirements for moderate-income developments to no longer require that the project be a common-interest development. Moderate-income developments may also

receive a waiver from imposing a parking ratio of above 0.5 spaces per unit if the project provides at least 40% moderate-income units and is located within one half of an unobstructed mile of a major transit stop.

Removes the option for a local government to refuse an incentive or concession on the grounds of an adverse impact to the physical environment.

SB 478 (Wiener) Planning and Zoning Law: housing development projects

Prohibits local agencies from imposing specified floor area ratios on housing projects, depending on the project size, and prohibits lot coverage requirements that preclude a project from meeting the floor area ratio requirements. Voids any covenant or restriction that prohibits or restricts housing development on the basis of floor area ratio standards that do not meet the specifications in this bill.

Prohibits denial of a housing development permit on a legal parcel on the grounds that the project does not meet minimum lot size requirements, if the project meets specified requirements. Directs the Department of Housing and Community Development to notify local governments of noncompliance with these provisions and adds the Housing Crisis Act of 2019 to the list of laws for which the Department is required to give notice of violation.

SB 591 (Becker) Senior citizens: intergenerational housing developments

Authorizes intergenerational housing development projects that include senior citizens, as defined; their caregivers; and transitional age youth, as defined. The bill specifies requirements for such projects, including affordability and occupancy requirements. Permits developers using state tax credits or certain funds for affordable housing to restrict occupancy to senior citizens, caretakers, and transition age youth.

<u>SB 728 (Hertzberg)</u> Density Bonus Law: purchase of density bonus units by nonprofit housing organizations

Requires the developer and local government to ensure a unit constructed under the Density Bonus Law and offered for sale is either: 1) occupied by an individual or family that meets income requirements, and the unit is offered at an affordable cost and includes a specified equity sharing agreement; or 2) sold to a nonprofit housing development corporation receiving a welfare exemption, and the sale records a contract that includes affordability requirements, an equity sharing agreement, and a repurchase option for the nonprofit.

SB 791 (Cortese) California Surplus Land Unit

Establishes the Surplus Land Unit within the Department of Housing and Community Development to facilitate housing development on local surplus land. By December 31st of each year, the unit must submit a report on its activities to the Legislature and other specified entities.

Local Government

AB 336 (Villapudua) Enhanced infrastructure financing districts: public financing authority: members: joint powers authorities

Authorizes officials of a legislative body serving on the public financing authority of an Enhanced Infrastructure Financing District (EIFD) to also serve on the board of a Joint Powers Authority.

AB 428 (Mayes) Local government: board of supervisors

Requires that term limits for county boards of supervisors cannot be shorter than two terms, but does not apply to term limits legally in effect prior to January 1, 2022. Specifies that county board of supervisors members are county officers that must receive compensation.

<u>AB 464 (Mullin)</u> Enhanced Infrastructure Financing Districts: allowable facilities and projects Allows Enhanced Infrastructure Financing Districts to fund facilities acquisition, construction, or repair for small businesses and community nonprofits.

SB 414 (Jones) Land

Among other provisions, extends the timeline for a hearing of an appeal under the Subdivision Map Act from within 30 days to within 45 days.

<u>SB 712 (Hueso)</u> Local government: California tribes: federal fee-to-trust applications to regain ancestral lands

Encourages state and local governments to collaborate with tribes in their fee-to-trust applications for regaining ancestral lands, and support tribes in their nongaming fee-to-trust applications. Prohibits local governments from enacting an ordinance or resolution that would preclude the government from conducting a fair assessment of a fee-to-trust application. Specifies procedures the local government must follow if it opposes the tribe's application.

SB 780 (Cortese) Local finance: public investment authorities

Makes numerous changes to the procedures of Enhanced Infrastructure Financing Districts (EIFDs) and Community Revitalization and Investment Authorities (CRIAs), including public finance authority member appointments, identification of project areas, limits on operative time of the EIFD or CRIA associated with different project areas, consistency with planning documents, noticing requirements, infrastructure finance plan approvals, amendment procedures, and division of taxes.

Military Affairs

AB 107 (Salas) Licensure: veterans and military spouses

Requires all boards in the Department of Consumer Affairs to issue a temporary license to a qualified military spouse that provides required documentation. The Department of Consumer Affairs and the Department of Real Estate must submit reports to the Legislature regarding professional licensure of veterans, servicemembers, and their spouses.

AB 576 (Maienschein) Community colleges: apportionments: waiver of open course provisions: military personnel

Waives community colleges' open course requirements for courses a community college provides to military personnel, their dependents, and authorized civilian employees on a military base. The community college's board of governors may include the units of full-time equivalent students generated by those courses for the purpose of state apportionment.

Public Meetings

AB 361 (R. Rivas) Open meetings: state and local agencies: teleconferences

Creates exceptions under the Bagley Keene, Brown, and Gloria Romero open meetings acts for state, local, or student body government meetings conducted via teleconference during a state of emergency.

This bill contained an urgency clause and took effect upon signature on September 16, 2021.

AB 1291 (Frazier) State bodies: open meetings

Requires state entities to provide twice the time allotted for public comment during a public meeting to members of the public using translating technology.

SB 274 (Wieckowski) Local government meetings: agenda and documents

Requires local agencies to email a copy of, or a link to, public meeting agendas to individuals who request this information by email. If infeasible, the local agency may send the information via mail.

Transportation

AB 970 (McCarty) Planning and zoning: electric vehicle charging stations: permit application: approval

Clarifies that charter cities must establish a streamlined, ministerial process for approving applications for electric vehicle charging stations. Requires all local governments to deem complete applications for electric vehicle charging stations within 5 or 10 business days, depending on the size of the project. The project would be automatically approved within 20 or 40 business days if the local government has not already approved the application, made a finding that the project would have an adverse impact on public health and safety, or is an appeal was not made to the planning commission. These provisions would have a delayed effective date, to January 1, 2023, for jurisdictions with a population below 200,000 residents.

AB 1261 (Burke) State Air Resources Board: greenhouse gas emissions: incentive programs

Requires the California Air Resources Board to establish a process to assess its clean vehicle incentive programs to collect and evaluate data on the behavioral change induced by the programs. The Board must also develop socioeconomic metrics to assess the impacts of these incentive programs. This information would be used to refine the emissions reduction estimates, funding recommendations, and programmatic recommendations the Board includes in its reports to the Legislature, funding plans, or long-term plans. Upon appropriation by the Legislature for these purposes, the Board must contract with the University of California or California State University to collect this data.

SB 339 (Wiener) Vehicles: road usage charge pilot program

Extends the Road Usage Charge Pilot Program to 2027 to identify and evaluate issues related to a road use fee. Establishes a Technical Advisory Committee to make recommendations to the program, including groups of vehicles to include in the pilot program. The State Transportation Agency would be required to submit reports to the Legislature regarding the pilot program.

<u>SB 372 (Leyva)</u> Medium- and heavy-duty fleet purchasing assistance program: zero-emission vehicles

Establishes the Medium- and Heavy-Duty Zero-Emission Vehicle Fleet Purchasing Assistance Program within the Air Quality Improvement Program administered by the California Air Resources Board, to provide assistance to medium- and heavy-duty fleet purchasers to procure zero-emissions vehicles.

SB 500 (Min) Autonomous vehicles: zero emissions

Requires autonomous vehicles to be zero-emissions vehicles beginning in 2030 and prevents the Department of Motor Vehicles from initiating a rulemaking to implement this law until 2027.

SB 640 (Becker) Transportation financing: jointly funded projects

Authorizes cities and counties to propose joint transportation projects funded by the entities' funding allocated through the Road Maintenance and Rehabilitation Program.

<u>SB 643 (Archuleta)</u> Fuel cell electric vehicle fueling infrastructure and fuel production: statewide assessment

Requires the Energy Commission, in consultation with the California Air Resources Board and the Public Utilities Commission, to prepare a statewide assessment of fuel cell electric vehicle charging infrastructure and fuel production needs to support zero-emissions buses, trucks, and off-road vehicles to meet the state's air quality goals. The first assessment must be completed by December 31, 2023 and updated every three years until January 1, 2030.

SB 671 (Gonzalez) Transportation: Clean Freight Corridor Efficiency Assessment

Establishes the Clean Freight Corridor Efficiency Assessment, developed by the California Transportation Commission in consultation with specified state agencies. The assessment must identify priority corridors for zero-emissions medium- and heavy-duty vehicle deployment. The assessment's findings must be reported to the Legislature by December 1, 2023 and be incorporated into the California Transportation Plan. Allows Trade Corridor Enhancement Funds to support projects to deploy innovative technology to improve freight movement and provide environmental benefits.

Sustainable Economic Development

AB 680 (Burke) Greenhouse Gas Reduction Fund: California Jobs Plan Act of 2021

Requires the California Air Resources Board and the Labor and Workforce Development Agency to develop, by July 1, 2025, funding guidelines for the Greenhouse Gas Reduction Fund's continuous appropriations that include specified labor standards, including fair and responsible employer standards and inclusive procurement policies. These provisions would not apply to programs or projects that receive federal funding, Safe and Affordable Drinking Water funds, technical assistance, research, 100% affordable housing projects, or applicants who are not employers.

AB 794 (Carrillo) Air pollution: purchase of new drayage and short-haul trucks: incentive programs: eligibility: labor standards

Establishes labor standards for drayage and short-haul trucks purchased through the California Air Resources Board's incentive programs.

SB 162 (Committee on Budget) Community Economic Resilience Fund

Establishes the Community Economic Resilience Fund, which would support a grant program to establish and fund high road transition collaboratives that would develop plans for economic recovery following the COVID-19 pandemic. The Labor and Workforce Development Agency, Governor's Office of Business and Economic Development, and Governor's Office of Planning and Research would oversee the program.

SB 589 (Hueso) Air pollution: alternative vehicles and vehicle infrastructure

Requires the Energy Commission, in its biennial assessment of electric vehicle charging needs, to identify workforce development and training resources needed to meet the state's zero emissions and greenhouse gas reduction goals. Allows funding from the Alternative and Renewable Fuel and Vehicle Technology Program to support in-state raw materials production and manufacturing supply chain for zero-emissions vehicle components. The Energy Commission must collaborate with California Community Colleges, the certified community conservation corps, the California Mobility Center, and the California Conservation Corps to implement these provisions.
