MENDOCINO
Local Agency Formation Commission
Staff Report

MEETING November 8, 2021
TO Mendocino Local Agency Formation Commission
FROM Uma Hinman, Executive Officer
SUBJECT **Authorizing Continued Remote Meetings per Assembly Bill 361**

RECOMMENDATION

Commission adopt Resolution No. 2021-22-07 acknowledging that a Gubernatorial State of Emergency continues to exist and authorizing the continued use of teleconferenced meetings for a 30-day period.

BACKGROUND

Pursuant to Assembly Bill 361 (AB 361), which was signed into order on September 21, 2021, in order for the Commission to continue to conduct its meetings remotely, it must adopt a resolution confirming that a Gubernatorial State of Emergency continues to exist and the Commission has determined, by majority vote, that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees, Commissioners or staff.

AB 361 provides local agencies with the ability to continue to meet remotely under modified Brown Act requirements during proclaimed state emergencies with the adoption of resolution finding that either:

- 1) Open physical meetings present imminent risks to the health or safety of attendees; *or*
- 2) State/local officials recommend/require measures to promote social distancing.

These criteria permit a local agency to schedule a remote meeting to determine whether meeting in-person during the state of emergency would pose imminent risk to the health or safety of attendees. At that remote meeting, a local agency may determine by majority vote that sufficient risks exist to the health or safety of attendees as a result of the emergency and pass a resolution to that effect. These criteria also permit a local agency to meet remotely in the event that there is a state of emergency declaration while state or local officials have recommended or required measures to promote social distancing.

In compliance with AB 361, the Commission adopted Resolution No. 2021-22-06 on November 1, 2021 authorizing the continued remote meetings for legislative bodies of Mendocino LAFCo for a period of 30 days. AB 361 requires subsequent resolutions be adopted by the Commission every 30 days, finding that the state of emergency declaration remains active, the local agency has thoughtfully reconsidered the circumstances of the state of emergency, and the local agency has either identified A) ongoing, direct impacts to the ability to meet safely in-person or B) active social distancing measures as directed by relevant state or local officials.

MENDOCINO
Local Agency Formation Commission

MEETING November 8, 2021
TO Mendocino Local Agency Formation Commission
FROM Uma Hinman, Executive Officer
SUBJECT **Protest Hearing and Determination of the Value of Written Protests for the Ukiah Valley Fire District Change of Organization to Annex the City Limits of the City of Ukiah for Fire Services (File No. A-2021-02)**

RECOMMENDATION

- 1) Conduct a Protest Hearing to receive oral and written protests from landowners and registered voters within the City of Ukiah regarding the Ukiah Valley Fire District Change of Organization to Annex the City Limits of the City of Ukiah for Fire Services (File No. A-2021-02); and

- 2a) After the close of the Protest Hearing, if it is determined that insufficient written protests were received by landowners and registered voters within the City of Ukiah prior to the close of the Protest Hearing, adopt Resolution No. 2021-22-08, finding insufficient protest and ordering without an election the Ukiah Valley Fire District Change of Organization to Annex the City Limits of the City of Ukiah for Fire Services pursuant to GOV §57075(a)(3); or

- 2b) After the close of the Protest Hearing, if it is determined that sufficient written protests were received by landowners and registered voters within the City of Ukiah prior to the close of the Protest Hearing to require an election or terminate proceedings, direct staff to return within 30 days with written results related to the value of written protests received.

BACKGROUND

On October 4, 2021, the Commission approved the Ukiah Valley Fire District (UVFD or District) Change of Organization to Annex the City Limits of the City of Ukiah for Fire Services (UVFD Fire Services Annexation File No. A-2021-02) and ordered Conducting Authority Proceedings pursuant to GOV §57000 et seq. known as a Protest Hearing.

The primary purpose of the Protest Hearing is to receive and count written protests from landowners and registered voters within the City of Ukiah against the District annexation.

The Protest Hearing is limited in scope and the Commission cannot consider public testimony regarding the substance of the Commission’s prior decision to approve the District annexation.

The Protest Hearing process involves the following steps:

Step 1: Summarize Resolution No. 2021-22-03

LAFCo staff will summarize LAFCo Resolution No. 2021-22-03 making determinations and approving the proposed UVFD Change of Organization to Annex the City Limits of the City of Ukiah for Fire Services subject to terms and conditions pursuant to GOV §57050(b).

Step 2: Receive Oral and Written Protests

The Commission will receive any oral and written protests and then close the Protest Hearing. While oral protests will be received, they do not count towards determining the value of written protests.

Step 3: Determine the Value of Written Protests

LAFCo staff will determine the value of written protests received and not withdrawn by the close of the Protest Hearing pursuant to GOV §57075. The Commission will consider a resolution ordering the annexation if insufficient written protests exist or otherwise direct staff to return with written results.

Public Notice

In preparation for the Protest Hearing, LAFCo staff complied with the minimum 21-day public notice (Attachment 3) requirement. The public noticing was completed by Monday October 18, 2021 as outlined below.

- Publishing in the Ukiah Daily Journal newspaper (Attachment 2) because the total number of notices required to be mailed to registered voters exceeded 1,000 pursuant to GOV §56157(h).
- Mailing to landowners because the annexation would result in the extension of any previously authorized special tax or benefit assessment to the affected territory pursuant to GOV §57025(e).
- Mailing and/or emailing to the applicant and interested and affected agencies and individuals list.
- Posting on the Commission website under the Public Notices section.
- Posting at the Mendocino County public bulletin board outside the Board of Supervisors Chambers.
- Posting on the Mendocino LAFCo office door.

Please note, mailed notices that were returned to sender with a forwarding address were re-mailed upon receipt as a courtesy, which is not required by law, and is deemed properly noticed upon original mailing.

The Commission approved the proposal on a vote of 6-1 per Resolution No. 2021-22-03, subject to the following terms and conditions: (a) the annexation area boundary is defined by the proposal map; (b) the District parcel taxes Measures J and B shall be levied in the entire annexation area; (c) the 2020 Amended and Restated Agreement for Shared Management of Fire Departments between

the District and City of Ukiah shall be fully implemented; and (d) the City of Ukiah maintains all of its rights and obligations for administering Emergency Medical Services.

Determination of the Value of Written Protests

After the close of the Protest Hearing, LAFCo staff will determine the value of written protests received and not withdrawn by the close of the Protest Hearing pursuant to GOV §57075.

The annexation will be ordered without an election (Attachment 7) if the number of written protests is below both of the two thresholds outlined below pursuant to GOV §57075(a)(2)(A) and (B).

- (A) At least 25 percent of the registered voters residing in the affected territory.
(B) At least 25 percent of the number of owners of land who also own at least 25 percent of the assessed value of land within the affected territory.

If the number of written protests received is 50 percent or greater in either of the two thresholds outlined above, then a majority protest exists and the change of organization proceedings are terminated.

The official total number of registered voters and landowners in the annexation area will be announced at the beginning of the Protest Hearing. For a rough order of magnitude only, it is currently estimated that there are roughly 9,000 registered voters and roughly 5,000 landowners in the City of Ukiah.

NOTICE OF PROTEST HEARING

NOTICE IS HEREBY GIVEN that on **Monday, November 8, 2021, at 10:00 AM** (or as soon thereafter as the matter may be heard) the Mendocino Local Agency Formation Commission (LAFCo) will hold a Protest Hearing to receive **written protests** filed against the Ukiah Valley Fire District Change of Organization to Annex the City Limits of the City of Ukiah for Fire Services (**UVFD Fire Services Annexation File No. A-2021-02**). The hearing will be conducted remotely pursuant to GOV §54953(e)(1)(C) as approved by the Commission in response to the COVID-19 pandemic with public participation via teleconference as detailed in the agenda posted at least 72 hours in advance of the meeting, and livestreamed at www.youtube.com/MendocinoCountyVideo.

The Ukiah Valley Fire District (UVFD) approved Resolution No. 2021-04 on May 18, 2021 to initiate the proposed annexation, with support from the City of Ukiah City Council, involving UVFD annexation of the entire City Limits of the City of Ukiah for fire services.

The reasons for the annexation include: (1) Further strengthen the operating relationship between the Fire District and Ukiah; (2) Establish a fair and equitable funding resource for fire and emergency medical response services for all Ukiah Valley residents; and (3) Ensure fiscal stability of fire and emergency medical response services for the long-term benefit of Ukiah Valley residents served by the Fire Authority.

The Commission approved the annexation on October 4, 2021, by Resolution No. 2021-22-03, which sets forth a full and complete description of the change of organization and the terms and conditions of approval. **Landowners within the City of Ukiah incorporated area would be subject to UVFD parcel taxes currently in place upon annexation.**

Landowners and registered voters residing within the City of Ukiah may file a protest against the annexation. The Official Protest Form (attached) must be completely filled out, dated, and **received during the Official Protest Period**, which begins on October 8, 2021 and ends on November 8, 2021, at the close of the Protest Hearing. Written protests must either be received in the LAFCo office by mail in advance of the Protest Hearing (no postmark) or delivered in-person at the LAFCo office prior to the close of the Protest Hearing (no fax or email). Frequently Asked Questions:
Ukiah Valley Fire District Annexation

What is happening at Mendocino LAFCo and why did I receive a mailing about a Notice of Protest?

An agency called Mendocino Local Agency Formation Commission (LAFCo) is charged with regulating the boundaries of special districts and on October 4, 2021 approved the annexation of the City of Ukiah into the Ukiah Fire District (i.e. the boundary adjustment). On November 8, 2021 LAFCo will hold a Protest Hearing to receive written protests filed against this approval. Landowners and registered voters residing within the City of Ukiah may file a written protest if opposed to the annexation.

What has been proposed by the City of Ukiah and Ukiah Valley Fire Protection District (UVFPD)?

The UVFPD has proposed annexing Ukiah city limits, which would make that area officially part of their service territory.

The reasons for the annexation include: (1) Further strengthen the operating relationship between the Fire District and Ukiah; (2) Establish a fair and equitable funding resource for fire and emergency response services for all Ukiah Valley residents; and (3) Ensure fiscal stability of fire and emergency medical response services for the long-term benefit of Ukiah Valley residents served by the Fire Authority. (From the LAFCo Notice of Protest Hearing, posted October 8, 2021.)

Doesn't Ukiah Fire District already provide service inside the city limits?

Yes, they do because the Ukiah Valley Fire Protection District ("Ukiah Fire District") and the City of Ukiah have joined forces as a single agency operating as the Ukiah Valley Fire Authority. Under this umbrella, the Fire Authority provides services to approximately 16,000 residents inside the City and approximately 17,000 outside City boundaries. That's about 33,000 people. In 2020, they had over 3,700 calls for service, and two-thirds of those were within the City. However, Ukiah city residents don't pay the same fire-specific property taxes that residents outside the city do. Under the proposed boundary adjustment, there would be equal application of the fire-specific property taxes to all those served by the Ukiah Valley Fire Authority, whether they are inside or outside city boundaries.

What would change for city residents if they were formally part of UVFPD boundaries?

Right now, City residents are not within the Ukiah Fire District's boundaries and do not pay the same amount of fire-specific property taxes. Formally including the City within the Fire District's boundaries would extend the fire-

specific property taxes, Measures J and B, to city property owners. These taxes are already paid by property owners outside city boundaries, and amount to about \$120 per property per year.

I am a resident of Ukiah. How much will this cost me per year?

For property owners, the average cost would be about \$120 per single-family residence. Renters will not be taxed.

I own a business in Ukiah. How much will this cost me per year?

For owners of commercial properties, the amount will depend on the type of business. Costs may range from \$180 for a small “mom and pop” style business to \$900 for a larger, big-box type of business.

Why is this boundary adjustment being proposed now?

Due to the effects of climate change, more intense fire risks, and increasingly costly regulatory mandates, the demands on fire services have escalated faster than the growth in resources, which has threatened the ability to provide timely, adequate services.

Since the merger, the City Council, Ukiah Fire

District Board of Directors, and staff have worked toward potential solutions to meet these challenges to reconcile funding and service levels, and have collaborated on this proposal for annexation.

How much money will the annexation generate for the Fire Authority?

Estimates show that approximately \$900,000 to \$1 million in new annual revenue could be generated to fund fire protection and emergency medical response services. Formally including the City within the Fire District’s boundaries would apply the Fire District’s two existing special district funding measures (Measures J and B) to City property owners through their property tax bill, calculated as a flat amount per benefit unit on a given parcel. It would create an equitable application of Measures J and B across the entire area that is served by the Ukiah Valley Fire Authority. It would also help ensure a sustainable, responsive fire service.

What will the additional money be spent on?

The funding provided through extending these special district property tax measures to City residents would go to support the operation of the Ukiah Valley Fire Authority and could not be taken by the state or federal governments. Despite industry and government standards that call for at least 33 firefighters to serve a population Ukiah’s size, our Fire Authority only has 19 authorized full-time firefighters along with a small contingent of dedicated volunteers. This means slower response times and smaller response teams, and also means they have to prioritize response operations when multiple calls for service come in at the same time. Additional revenue collected through the extension of the fire specific property taxes to city residents would allow

additional hiring to improve staffing levels, which would provide more rapid emergency response services. It would also enable the Fire Authority to purchase more modern equipment to be best prepared for increasingly dangerous fire seasons.

Don't I already pay a sales tax for fire services (Measure P)?

Yes, the City of Ukiah has Measure P — a half-cent sales tax that is applied to all taxable purchases in the city limits, whether those purchases are made by someone who lives inside or outside city limits. The revenue is divided between Police and Fire services. Those resources are being used carefully with transparency and oversight to fund public safety personnel, equipment, and training. But the population has grown, the fire risks have become increasingly fierce, and the regulatory mandates more expensive. Measure P is insufficient to meet the full need of a fully operational, fully responsive fire and emergency response system.

Why can't the Fire Department just operate within existing budgets?

There are extraordinary pressures to do more with limited resources. The Ukiah Valley Fire Authority is working hard to implement strategic fire mitigation programs to keep our community safe and reduce the risk of future fire damage. Additionally, population growth has increased the number of service calls for fire or emergency medical response. At the same time, new regulatory mandates create costly new requirements that cut away at the existing department budgets. To achieve appropriate staffing levels and maintain the right equipment to service a community of our size, additional resources are required.
