<b>Staff Position</b>	<b>Hourly Service Rate</b>

## FEE POLICIES

**Deposits:** Where indicated in the Fee Schedule, deposits toward the actual cost of processing proposals must be paid at the time an application is submitted. All deposits are initial payments toward the actual costs of processing proposals, including staff time and materials (e.g., noticing, postage, copying). Applicants must sign a [Fee Agreement and Voluntary Indemnification](#), consenting to reimburse LAFCo for all costs incurred in processing, including pre-application assistance.

**Billing Procedure:** Staff's work on applications, which includes overhead costs, is tracked on an hourly basis. LAFCo will provide monthly invoices to the applicant. If actual costs exceed the deposit amount, LAFCo will invoice the applicant for the additional costs. Processing of the application may be suspended until payment is received. All final invoices must be paid by the applicant prior to filing the Certificate of Completion. Any portion of the deposit not used for processing is refunded.

**Outside Assistance Fees:** The Commission may, at its sole discretion, contract for outside assistance in processing and review of an application. The types of assistance include, but are not limited to, legal, engineering, environmental, and planning. The estimated or actual costs, as determined by the Commission for such assistance shall be deposited with the Executive Officer before an application will be processed further.

**Legal Counsel Fees:** Applicants will be charged the actual costs of fees associated with legal consultation or review. While most applications do not require legal review, occasionally a proposal will develop significant legal issues that require considerable legal counsel involvement. Legal fees must be paid in full prior the final processing of an application.

**Voluntary Indemnification:**

As part of the application, applicant shall be asked to sign and submit a [voluntary indemnification agreement](#) for all reasonable expenses and attorney fees incurred from proceedings brought by a third party in connection with the application. While LAFCo retains the discretion in all cases to decide whether to defend an action, the Applicant's voluntary agreement to indemnify LAFCo will have a significant bearing on LAFCo's decision whether to defend its decision. (*Resolution No. 2020-21-05*)

**Refunds of Fees:** Except for unused portions of deposits, all fees paid to LAFCo are non-refundable. If an application is withdrawn by the applicant prior to the time that the application has been publicly noticed for hearing by the Commission, all unexpended funds shall be returned to the applicant. Otherwise, payment of fees is not a guarantee of approval of the submitted proposal.

**Waiver of Fees:** The Commission may waive a fee in special circumstances or if it finds that payment would be detrimental or contrary to the public interest. Fees may be waived or reduced for applications filed in response to a condition imposed by or a recommendation made by the Commission. A request for waiver, including an explanation for the request, must be submitted in writing to the Commission. Staff will present the request to the Commission, along with analysis and recommendation, for its determination.
